COMPLETELY DEMOLISHED Daly City police car is shown after a broadside collision Friday afternoon at the intersection of Junipero Serra boulevard and Knowles avenue. The car was purchased by the city only six months ago. The accident occurred when the police car, driven by Sergeant David Hansen, sped through a red light siren going full blast. Hansen's car smashed into another car driven by a 17-year-old boy who, claiming that he failed to hear the siren, attempted a left-hand-turn.

ADMINISTRATOR HIT BY COUNCILMAN FOR PURCHASE OF COP CAR

Councilman Michael DeBernardi objected Monday night to the policy which allowed City Administrator Dan Andersen to buy a $2000 police car without consent of the council and legal bidding.

Andersen countered that he had only been following policy and that he would be happy to abide by any new statutes that the council wished to establish.

"I've been operating under the policy set by this council to go ahead and run the city and do the job," Andersen exclaimed.

City Attorney Frank Blum explained to the council that as long as the purchase was not connected with state-funded public works, the administrator did not have to call for bids. It is merely a question of policy.

"I still maintain it should have been brought to the council before the deal was accomplished," DeBernardi said.

DeBernardi also voiced objections against the purchase of a new $3000 Water department billing machine which he claimed he first read about in a recent story in THE RECORD.

"I for one don't like to read in the newspapers that we've just bought something new," he said. "How do you think it looks when taxpayers ask me about some new purchase I don't know anything about?" he asked.

Mayor Joseph Verducci explained that the previous council's policy had been to buy the type of product that the department concerned preferred.

The angry councilman then asked that the council set a limit to the amount of money the administrator can spend without city council approval.

The bickering faded out before definite decision was reached.

Hold Over Bids On School Work

Planners' Powers Defined By Blum At Special Meeting

"The city council should virtually act as a rubber stamp for the planning commission's decisions," City Attorney Frank Blum told the members of the council and commission assembled in the city hall Tuesday night.

Making his statement before a coordination meet of the two municipal bodies, Blum explained that the planning and library commissioners are the only commissions which are delegated authority under state law governing sixth class cities.

The council concurred in Blum's interpretation of the commission's function and Mayor Joseph Verducci said, "The planners should carry the burden on technical building and zoning problems which the council, as laymen, do not have time nor background for."

The mayor said that in most cases the council has gone along with the planners decisions because the commission is better acquainted with the city's land development problems.

Although he said the commissioners seemed pretty well informed on their powers, Blum advised that they employ use permits and variance permits more often.

"If you approve an open commercial zoning in a residential area, you wind up with spot zoning," the attorney continued.

"The thing to do," he said, "is to ask the applicants to stipulate exactly what type building will go in the commercial area. Grant them a use permit for that type business and nothing else. If any other use is made of the land, the permit becomes void," Blum added.

The commission was also advised by Blum to meet "only as a commission," and said disputes would arise if commissioners acted on their own in contacting property owners.

According to Blum, if the commission wishes to investigate a situation in the field, they should adjourn their meeting until the time of the investigation. "Then any action taken, even if only one or two commissioners show up, will be official."

Verducci called for a long-range planning program from the commission and encouraged the planners to come to the council with any proposals they might have for future development.

COUNCIL TO ASK NEW PUMP BIDS -- REJECTS OTHERS

The city council Monday night threw out bids for a submersible pump which were submitted July 12. They will draw up new specifications written in a "more open manner" for the pump to be used at the No. 8 well in back of the pumphouse at Citrus and Niantic streets.

"Original specifications were the same as calling for bids on one Ford coupe automobile," City Attorney told the council.

The new specifications apparently are being drawn up as the result of a charge by Lewis Efremski Jr., representing Henry J. Wrigley Pump company, who submitted the low bid of $6554.83. Efremski claimed July 19 that the council had drawn up specifications in such a manner that actually only one company, Pump Repair Service, would be entitled to bid.

Gus Ford, water department superintendent, in a letter to the council a week ago, said that he was in favor of awarding the bid to Pump Repair Service, who submitted the highest bid of $8106.84.

According to Ford, the city has used the Byron and Jackson pumps, carried by the Pump Repair Service, for many years with great success.

"It is not worth $1500 of the taxpayers' money beceuse water department personnel are familiar with the high bid pump," Mayor Joseph Verducci told the council.

He added that council policy had always been to accept the lowest bid with the stipulation that all specifications are met by the product.

ENVELOPE SWITCH COMPLICATES $200,000 PROJECTS

Fifteen bids for constructing multi-use rooms at Jefferson elementary and Crocker schools were held under advisement Wednesday night by the Jefferson Elementary School District board of trustees after it was discovered one firm had inadvertently inserted their bids in the wrong envelopes.

The Martinelli firm, which bid on both the projects, placed their bid for the Crocker school in the envelope for the Jefferson school job and vice versa, the board said.

Both Out Of Line

The result was that Martinelli's bid on the Crocker school, a more expensive project, was ridiculously low, while his bid on Jefferson was more than $22,000 above any of the other six bids.

Martinelli's figure on Crocker was $99,700, with the next low bid, that of Ralph Larsen & Sons, was $123,513.

The Marinelli firm's bid on the Jefferson school was $122,000, while the next high bid for that job was submitted by Pacific Coast Builders, $100,500.

Had Martinelli placed the two figures correctly, he would have been low bidder on the Crocker project, and would have only been $2543 off the low bid on the Jefferson job.

May Reject Both

Because of the incorrect procedure, however, both Martinelli bids may be rejected, the board said.

Bids on the two multi-use rooms were as follows:

Jefferson elementary — Joel Johnson & Sons, $96,457; Morris, Daley and Harry Kime & Son, $99,770; Ralph Larsen & Sons, $101,113; Martinelli Construction Co., $122,000; Elvin C. Stendell, $99,808; Pacific Coast Builders, $100,500.

Crocker—Joel Johnson & Sons, $149,690; Jacks & Irvine, $130,656; Morris, Daley and Harry Kime & Son, $126.632; Ralph Larsen & Sons, $123,513; Martinelli Construction Co., $99,700; Elvin C. Stendell, $127,545; Pacific Coast Builders, $125,500; Matthew A. Little, $135,569.

Hire 18 Teachers

The board hired 18 new teachers Wednesday night.

They were: Miss Carol McHugh, Mrs. Madeline F. Hales, Mrs. Mary Lew Harey, Mrs. Virginia Hamilton, William Mendosa, Charles E. Solley, Miss Constance Franck, Mrs. Ruth Kadfield, Mrs. Jennie Byant, Miss Anne Biggs, Mrs. Dolores Hawkins, Wallace Odd, Miss Jane Walker, Miss Jane Ann Laury, Miss Geri George, Mrs. Joan Small, Mrs. Janet Edgerley and Mrs. Joane Skolnick.

Resignation of Mrs. Jane Brown, third grade teacher at Woodrow Wilson school, was accepted by the trustees.

In other business the board: Passed a resolution calling for cancellation of taxes on the Olympia school site; Passed a resolution authorizing the school to obtain a state loan; Appointed Mrs. Helen Cheatham, chairman of the board, to the county re-districting committee, which will study the proposal for unifying school districts.

Woman Satisfactory After Serra Crash With DC Police Car

A 15-year-old Belmont girl was severely injured when the car in which she was a passenger collided with a Daly City police car driven by Sergeant David Hansen. The accident occurred when the police car, which was speeding to an accident on Alemany boulevard Friday afternoon, crashed broadside into the other car at the intersection of Junipero Serra boulevard and Knowles avenue.

The victim, Lauralee Smith, daughter of Mr. and Mrs. Irving Smith of 1040 O'Neill avenue, Belmont, suffered a compound skull fracture and severe face lacerations when she was thrown from the car to the pavement with the impact of the crash.

The girl is now reported to be in satisfactory condition at Mills Memorial hospital. Attendants at the hospital say that swelling has decreased and that Miss Smith is gaining strength.

Driver of the auto in which the girl was riding was Rodney M. Watson, 17, of 1960 Alden street, Belmont. The boy claimed that failing to hear the siren of the police car, he crossed the intersection to make a left-hand turn with the green light.

Hansen reported that he crossed Junipero Serra boulevard against the light with the siren wide open. Watson was cited for failing to heed a siren.

The two cars were totally demolished. The motor of the police car was pushed clear to the rear of the car, according to police. The auto had been purchased only about six months ago by the city.

Both Hansen and Watson suffered minor injuries. Traffic was tied up at the intersection for about half-an-hour while crowds of townspeople gathered to watch the wrecked cars being towed away.

In the first accident to which Hansen was responding two sixty-year old women suffered minor injuries. They were Jessie Schrhol, 319 Holloway avenue, and Adele Aklin, 164 Harold street, both of San Francisco. They were released after emergency treatment at Junipero Serra hospital.

THE TOWN RECORD

By MONTE DAYTON

A prominent DC commissioner has been put on the hot spot by the council for allegedly using his position to further his own interests.

An investigation is forthcoming and if the influence peddling charge holds there'll be a resignation.

HILLTOP LODGE LOSES CUSTOMERS FOR 90 DAYS

Several recent customers of the Hilltop lodge who have been picked up by police on various charges will be forced to stay away from their favorite nite spot for 90 days or else face jail sentences.

Judge Thomas L. Bocci was busy Tuesday putting into effect his recent declaration that he planned to crack down on persons found guilty of drunkenness and disturbing the peace.

Gordon Kappes, who July 18 piled up five charges against himself at George Kirchhubel's bar, also piled up the stiffest sentence at Municipal court. Kappes, 180 De Long street, San Francisco, was charged with two counts of assault and battery, disturbing the peace, resisting arrest and being drunk in a public place.

While police were taking Kappes to jail he first dragged Officer John Coleman to the ground and attempted to escape. Then on the way to the cell, where he was the guest of the police department for the night, he forced Officer Gerrold Schaeffer to the floor before he could be controlled.

Judge Bocci sentenced Kappes to 20 days in the county jail but

POLICE COMMISSION REPORTS PROGRESS

Submitting a lengthy list of accomplishments made since their inception in 1952, the Daly City police commission got a hearty pat on the back Tuesday night from the council.

The joint session was held to review commission progress and to inform the commission of the limits of their activities and scope of their duties.

Among the list of things accomplished, as presented by Commissioner Edmund Whitney, were:

1. August, 1952—The chief of police was the only administrative officer. Today the situation has been corrected.

2. August, 1952—The department operated out of two small rooms in the rear of the first floor of the city hall. Today the department occupies the entire eastern side of the first floor, city hall.

Five New Cars

3. August, 1952—The department had three Fords of varying age and in poor mechanical condition. Today five patrol cars, of recent vintage, completely equipped with two-way radios are in operation.

4. August, 1952—Two motorcycles, only one of which had two-

COUNTY PLANNERS TO COOPERATE ON DC INDUSTRY PROPOSAL

San Mateo county's planning commission, holding a public hearing in Daly City Wednesday night on the revised county zoning ordinance, told the 80 persons assembled there that they would "consider carefully" Daly City's proposal to zone some 60 acres of unincorporated land for industry.

The Daly City planning commission forwarded a proposal to the county planners asking that nearly 60 acres of land to the south of Daly City limits be zoned for industry.

Leslie Nichols, chairman of the county commission, said Wednesday that, "we don't want to put through our ordinance without first considering the desires of you people in the north end."

Robert Hunter, president of the Daly City Chamber of Commerce, appeared to announce that his group backed the local planning commission proposal 100 per cent.

Hold Industry Land

Nichols, in answer to a question from Peter Markovich on the need for industry in the county, said, "If we can possibly do so we will hold the industrial land we now have.

"We are more than conscious of the county's need for industry. In order to exist we are going to have to stop the residential developments from encroaching on potential industrial property."

Nichols pointed out that there are only about 20,000 acres of property that could actually be termed suitable for industrial use. Of this total, much of the land is hilly and some is mudflat property near the bay.

Little Good Land

"That's what impressed the inter-urban land institute," the chairman commented. "There is so little good industrial land. That's why it's important to hold what we have."

The revised county zoning ordinance discussed Wednesday was mainly concerned with this need for perpetuating the industrial lands.

Major changes in the ordinance concern mechanics of zoning, and the commissioners have made the changes with an eye for expediency in zoning matters. Where it used to take two hearings for most zoning matters, the new ordinance cuts this to one.

The county commission also explained that changing the zoning in an undeveloped area would not have any effect on the assessor's valuation of the property. Only after improvements would the value of the property be changed, they said.

CITY OK'S SITE FOR RESERVOIR, POSTPONES BIDS

Low Bid Is $58,780 On Second Project

Purchase of an acre of Doelger property east of Mussel Rock for $4000 to be used as the site for Westlake reservoir No. 2 is pending appraisal which is being conducted this week.

A ground lease with option to purchase will probably be signed by the council at the next meeting, according to City Administrator Dan Andersen.

"The ground lease will be signed in lieu of transferring the deed because t he exact specifications for the reservoir have yet to be determined," Andersen explained.

Councilman Micheal DeBernardi asked for the appraisal Monday night after he cast the lone vote against buying the Doelger property. City Attorney Frank Blum told the meeting that the cost of appraisal would be about $50 or $75.

One $4000 Acre

"I just feel that $4000 is too much to pay for an acre of land," DeBernardi exclaimed.

THREE-YEAR-OLD HIT BY CAR HERE

A three year old Daly City boy was knocked down when a car side-brushed him on Flournoy and Mission streets Wednesday, but suffered no injuries.

Small Andrew J. Sullivan, 304 Hillside boulevard, was hit by a car driven by Lowell Blankfort, 28, 335 Malagra street, Sharp Park. Blankfort admitted hearing a thud but said he did not realize what had happened until a witness hailed him back. Blankfort was cited for not stopping for an arterial and not giving a pedestrian the right-of-way.

It's All In Getting The Two Acquainted

The Daly City water department's new $3000 Burrough-sensimatic billing machine, as the name would indicate, is a pretty complicated hombre.

Because of this, it's going to take a while for the water department personnel to learn to operate the machine.

So if your water bill is a little late this time, bear with the water office staff and the Burrough-sensimatic.

They should be used to each other by the time the next bill comes due.

Man Dies When Horse Falls On Him In Colma

A San Francisco man died last night at Junipero Serra hospital shortly after his horse fell on top of him at Sullivan and Washington streets in Colma.

Thomas Kiley, 49, 528 Arlington street, San Francisco, fell from the horse and was crushed to death by the weight of the animal falling on top of him. He arrived at the hospital at 7:15 p.m. and died 20 minutes later, according to hospital attendants.

Westmoor Line May Inaugurate Service Despite Muni Trial

Burt Perkins, owner of the Westmoor Transit lines, told THE RECORD this week that he would "start operating his service here even if the Muni Railway decided to continue the No. 76 line."

Perkins was one of three independent transit companies who came up with proposals for the city of Daly City three months ago when the Muni railway served a 30 day ultimatum on this city "To get some new form of transportation or come up with a proposal to cut the Muni's annual operating deficit."

The line proposed by Perkins would leave Broadmoor at 87th and Maddux drive, travel to Westlake, up Alemany to Junipero Serra boulevard, north on Junipero Serra to West Portal and return on

LAGOMARSINO AND CALLAN AT IT AGAIN AT MEETING

The Ricco Lagomarsino-Thomas Callan Jr. battle entered another round Monday evening at the regular city council meet. After several weeks of bickering before the council the two contestants agreed on annexation of Abbey Homestead, where both men own property.

Public hearing on the annexation is set for Sept. 13 at 8 p.m. in the city hall here.

A good portion of the argument, which kept council members at the meeting until after 11 p.m., concerned the serious question of whether or not there are "dead people" buried on Hoffman street. Callan made the charge that Lagomarsino is building over cemetery graves.

"I will withdraw any objections if there are any dead buried on my property," Lagomarsino retorted.

The council approved the resolution after Callan produced a recommendation from the parking authority. The letter was allegedly a copy of correspondence sent to the council, but no one at the meet had seen the letter, it was said.

PLANNERS TURN DOWN CIAMPI RE-ZONING

Midst the protests of some three-dozen property owners in the area, the Daly City planning commission Monday night turned down application of Mario Ciampi for re-zoning land on Santa Barbara avenue to commercial usage.

Robert Hunter, spokesman for the group, said "There's no justification for an open re-zoning of the property to C-1." He declared that, "if Ciampi would draw up specific plans of the building to be located there and show it to the people it might be different."

Ciampi's property is located between Vista Grande and Parkview avenues, with about 65 foot frontage on both Mission street and Santa Barbara avenue.

The Mission frontage has already been zoned commercial and a used car establishment is in operation there.

Santa Barbara avenue residents were afraid that if the rear of the property were zoned commercial some unsightly structure might be erected there.

Hunter said, "This re-zoning will only enhance Ciampi's property and is done for his personal gain only, not for the good of the neighborhood."

suspended sentence on the condition that Kappes stay out of town during a probationary period of 120 days. Kappes was given a fine of $150.

Andrew J. Gomez, 19, 131 Lowell street, was fined $100 and given a suspended sentence of 15 days in the county jail on condition that he stay out of Daly City for 90 days. Gomez was picked up for fighting on the corner of Vendome avenue and Hillcrest on July 17. He was charged with disturbing the peace and resisting an officer.

Ismail R. Padilla, 80 Laura street, and P. E. Kaiser, 96 Farragut avenue, both of San Francisco, were given the same sentence as Gomez. They pleaded guilty to a charge of disturbing the peace. They were involved in the same fight as Gomez.

Robert Benavente, 20, 678 Moscow street, San Francisco, who entered a plea of not guilty to a charge of disturbing the peace on July 12, was found guilty by Judge Bocci. Benavente was not fined, but was given a suspended sentence of five days in the county jail with the usual stay-out-of-Daly City stipulation. The youth was picked up in a brawl in the vicinity of 22 Hillcrest drive.

John McCann, who also appeared before Judge Bocci Tuesday, pled guilty to a charge of being in an automobile while under the influence of liquor. He was fined $50 and given a suspended jail sentence of 10 days on the aforesaid conditions.

Gary Knouf, 54 Marston avenue, San Francisco, appearing before Judge Bocci yesterday (Thursday) pleaded guilty on a charge of carrying false identification. He was given a suspended sentence of five days on condition that he pay a $25 fine. He paid the fine.

Frederich Koehler, 1029 Guerero street, San Francisco, who also appeared in Municipal court yesterday, was found guilty of driving under the influence of alcohol and driving with a revoked driver's license. He was granted a suspended sentence of 30 days on condition that he pay $150 fine on both counts. He was given 15 days to pay $300 or else he will spend the 60 days in the county jail.

nance is a "zoning board of adjustment," that will hear all minor zoning matters.

Instead of sitting through an all-day session of the commission waiting for their business to come up, persons with minor matters for the commission can have them handled by the adjustment board.

Three members of the commission will be delegated to fill this board and will meeting evenings. All decisions made by this group will be final and citizens will not have to go before the regular planning sessions.

The revised ordinance also contains a measure banning billboards 500 feet from the highway in all residential, commercial and agriculture zones. Billboards will be limited to M-1 (industrial) zoned areas.

Two-Cat Law

One innovation in the ordinance, which prohibits persons from raising more than two cats in a residential area, drew a sprinkling of fire from pet lovers.

However, the commission chairman said that breeders would probably not be bothered if their animals created no nuisance and the neighbors didn't object.

"It's mainly the commercial raising of animals, such as in a kennel, that we're concerned with," Nichols said.

"As far as individual breeders go," he said, "It's all up to the neighbors."

Wednesday's zoning hearing encompassed the area north of a line from Montara on the coastside and Millbrae.

way radios were used. Today, three motorcycles, all containing two-way radios, are used.

5. August, 1952—Radio equipment was outmoded and in danger of being condemned by the FCC at any time. It was almost impossible to make out a call when received, and there were many dead spots in the city. Today completely new equipment, of the best type available, has been installed. There are no dead spots in the city and calls are heard clearly and distinctly.

Increase Staff

6. August, 1952—The staff consisted of 19 officers, no matrons. Today there are 29 officers and a matron-clerk.

7. August, 1952—There were no rules and regulations governing the operation of the department on the conduct of individual officers. Today rules and regulations, in booklet form, are in force.

8. August, 1952—Although the reserve police had been in training off and on, the force had never been activated. Today an 18-man trained reserve police force exists.

9. August, 1952—Officers appearing in court off shift were not compensated. Today overtime is given officers for court appearances outside regular shift.

10. August, 1952—The Broadmoor police department used the Daly City radio free of charge. Today Broadmoor pays $100 a month for the service.

Additional Progress

The commission told of additional progress but said that the items were of a routine nature and would take up too much of the council's time to list.

Need More Men

Commissioners said that although the police staff has been increased, there is still a need for 10 more personnel.

Psychiatric examinations for all policemen was proposed, and the council asked that the commissioners submit them a written report on this request.

Two-year probationary period for all officers was also discussed, as was the maintenance of foot patrols.

Commissioner Tony Ricci said "the man on the beat is the backbone of any good force."

In concluding the meeting, the council put the stamp of approval on the commission's past policy and said they hoped the group could continue to do the "good work."

Lagomarsino And Callan At It Again At Meeting

(Continued from Page 1)

Other matters on the agenda at the last meet included appointment of Jerry Galindo as a permanent member of the police force and John J. Haley as a replacement for William Chalmers of the water department. Chalmers was drafted into the army on June 24.

The council also ordered all used car dealers to post the required $4000 bond within 30 days or face suspension of business license under the new used car lot regulation ordinance.

You are not as likely to work yourself to death as you are to loaf yourself to death, the National Safety Council suggested today.

City OK's Site For Reservoir, Postpones Bids

(Continued from Page 1)

City Engineer Edwin Smith told the council that he strongly advised buying the Doelger property. He explained that sewerage damage to the property must be considered as part of the price.

Andersen then restated the reasons for not buying army property which had been considered. He said that proximity to a cliff would result in erosion.

"Doelger originally wanted $6800 for his property," Councilman Del Wilson interjected. "Looking at the army property at least brought his price down," he added.

Bids To Wait

Bids for consideration of the reservoir were opened at the meeting but will be held over for two weeks. Awarding of the bids will wait sale of the land and give Smith an opportunity to investigate bids.

Estimated cost of the reservoir is $68,000, according to Smith.

A total of seven bids were opened. The company plus the total amount and the total amount with deduction follows: C. Norman Peterson Inc., $64,892, $58,780; Ke-Ston & Muny (a joint venture), $64,527, $59,141.50; Oscar C. Holmes, $65,566, $60,149.

S. J. Amoroso Construction company, $67,916.95, $61,370.65; Hart & Hynding, Inc., $72,037.53, $64,821.23; S & Q Construction company, $75,786.70, $69,170.20; and W. Lenkeit & Company, $79,981.50, $73,072.50.

Also Held Over

Bids for Westlake booster pumps also were held over to August 9. Smith explained that although Frank Cisternino pump service submitted the lowest bid of $5,642, he was not personally acquainted with the company and would therefore take the two-week opportunity to look into the particulars of the extremely low bid.

Other bids submitted were Johnston Pump company, $6325.92; Food Machinery & Chemical corporation, $6495; Pump Repair Service company, $6743.60; and Henry J. Wrigley Pump & Equipment company, $7100.80.

The second Westlake reservoir is made necessary by the enormous growth of the subdivision area below Daly City. Existing water supplies in two Daly City reservoirs proved inadequate, and it was decided that two additional Westlake reservoirs were required. Construction was made possible by voters on October 28, 1952, when they voted the passage of a $390,000 Water Improvement bond.

The new Westlake reservoirs will each hold one-half million gallons of water.

Monday night the council also passed a resolution removing all Knowles avenue stop signs except the one on Santa Barbara avenue.

There will be an artist colony at the California State Fair where visitors may have their portraits sketched by well known commercial artists.

Westmoor Line May Inaugurate Service Despite Muni Trial

the same route.

Same As 76

This line would be substantially the same as that traversed by the No. 76 muni bus, and would make Perkin's company in direct competition with the San Francisco bus.

Fate of the No. 76 bus hangs with the San Francisco board of supervisors, who are scheduled to hold public hearing August 9 on Daly City's proposal to shorten the route.

The Daly City proposal was designed to eliminate the Muni's deficit on the No. 76.

But Perkins says even if the San Francisco board approves continuing the No. 76 under the proposed changes, he will start operating his line if granted a permit from the state public utilities commission.

His application will come up for hearing August 16 at 10 a.m. in the state building, San Francisco.

"I think we could provide better service, "Perkins said, "I don't see why Daly City didn't accept my offer in the first place."

Before PUC

"If the San Francisco board approves continuation of the No. 76, undoubtedly they will contest my application, as will Daly City," Perkins said.

"I'd like to go in to the state PUC hearing with clean hands," he continued, but added that, "As long as the state grants me a permit to operate here I'll go ahead with the line."

Should Perkins start his Westmoor service, abandonment of the No. 76 would be imminent.

Vernon Anderson, Muni railway representative, said at a recent transit hearing in Daly City, "Under no circumstances would we operate here in the face of competition."

The question has arisen, however, whether Perkins would be allowed to run his buses here without a franchise from Daly City.

Perkins maintains that, since he will operate from an unincorporated area, into an incorporated area, he does not need a franchise from Daly City.

The service planned by Perkins would be provided from 6 a.m. to 11 p.m., with four 41-passenger buses in operation.

Fare would be 15 cents.

Planners Turn Down Ciampi Re-Zoning

(Continued from Page 1)

plication, the commission said that Ciampi might be granted a variance permit if he submitted detailed plans of the structure to be erected on Santa Barbara.

Hearing was closed on zoning of land on Niantic between Knowles and Parkview to R-1 for a 40-home development by the Bignotti Building and Realty Co.

In okeying the zoning, the commission granted the Bignotti firm a variance permit to build the home on 25-foot lots. The three home now located there are built on 32-foot lots.

Homeowners in the area queried the commission as to who would be responsible for installing sewers in the area.

Harold Dowell, architect for the sub-divider, said his firm would take care of all sewer lines and other necessary improvements.

The architect said, "This development will be an improvement for the area. There is nothing but run down lots there now"

No written or oral protests were heard on the abandoning of a portion of Southgate avenue near Park Plaza drive in Westlake Unit No. 3-A, and the commission approved the action.

Local Marine Searches For Mother He Has Not Seen For 21 Years

Tech. Sgt. John Millard Watso, 25, of 1333 Irvington street here, is searching for his mother, whom he has not seen for 21 years. Watso recently received orders to report to Camp Pendleton marine base August 31 for shipment to Japan. He previously served in Korea.

The sergeant is now stationed with the Marine Corps band at Treasure Island.

He believes his mother was a resident for some years of Berkeley and San Francisco, after divorcing his father in 1931 at the age of 21. Last address known was in 1932 at 457 Ellis street, San Francisco.

Her maiden name was Elna Mary Lambert, according to Watso. The father, John Watso, reared the sergeant and another son, James, at the Daly City address. James also is in the armed forces.

Local Police Arrest Hobo And Juvenile Boy For Frozen Food Theft

Henry Mack Jr., address somewhere at the railroad tracks, pleaded not guilty yesterday (Thursday) to a charge of stealing various and assundry frozen foods from the Economy Frozen Food lockers last Friday.

Mack waived preliminary hearing and was ordered to appear in Superior court August 9. John A. Putkey, 6654 Mission street, was assigned as counsel.

A juvenile and Mack were picked up Tuesday after police were notified that the pair had tried to sell some frozen chicken to Puccini's market on Junipero Serra boulevard.

Police also checked fingerprints on the broken window pane, through which the juvenile gained entry to the lockers. The boy confessed and was turned over to juvenile authorities.

The frozen food lockers, 60 Station avenue, reported the theft of three hams, four or five boxes of sliced bacon and frozen chicken Friday.

The arts division at the California State Fair, Sept. 2 through 12, again is a competitive show after one year as an exhibition.

AN END TO THE CRY BABIES

Daly City's subdivision ordinance will be a blessing to all concerned.

With adoption of this statute governing all building, zoning and sub-dividing activities, everything will be down in black and white and nobody can come crying to the council for "just a little favor" or a "minor variance."

For the past few years, since the science of city "planning" came to be recognized, a few local businessmen have besieged the council with "special requests," reverting to cry-baby tactics if their wishes were denied.

On the one hand, without a subdivision ordinance, practices of the council in granting favors have appeared "shady" at best.

Contrariwise, when the council doesn't come through on these extraordinary pleas, the city, the press and the citizens have been subjected to marathon harangues ond oratory from the businessmen who don't get their every wish.

A conservative estimate would place city time consumed in recent months on such pinch-penny balderdash at about 50 hours.

We're all in favor of constructive debate, but this business of wasting everybody's time with somebody's petty peeves is strictly for the past.

The council has a lot more important business to attend to than to sweat out hours of this penny-ante double talk.

The subdivision ordinance will serve as a disinterested third party, much to the relief of the council and the citizens who have had to play this role in the past.

WHAT'S IN A NUMBER?

It's only a minor piece of promotion, but what's the "score" on the signs at Daly City's various entrances?

Last time we looked the signs said Daly City's population was slightly in excess of 15,000.

In fact, if our memory serves, the signs have shown that figure for quite a few years.

It's been six months now since Daly City's official population was confirmed at nearly 25,000 by count of that august and accurate board, the department of commerce.

Pushing for third largest city in the county, Daly City ought to be able to brag about it a little.

LION TALES

By Joseph Belli Jr.

The program chairman for Wednesday, August 4, will be Lion Elio Fontana. To this moment no word has been received as to what his program will consist of, however I am sure it will be interesting as well as enjoyable.

Lion Roy Arneson, chairman for the dance, has announced this week that the dance will be held on Saturday night, October 16, 1954, at the Daly City War Memorial Building. Also assisting Lion Roy are Nate Temkin, who is in charge of the souvenir program and Ray Savage in charge of the refreshments. Each coming week further information will be given in this column concerning this great event.

The official Lion colors are purple and gold. To Lions, purple stands for loyalty to country, loyalty to friends, and loyalty to one's self; and to one's own integrity of mind and heart. Gold symbolizes purity in life, sincerity of purpose, liberality in judgments, and generosity in mind, heart and purse toward his fellow man.

To Lions the combination purple and gold symbolizes cooperation and education, enlightenment and entertainment, and recreation.

Lionism means the more abundant civic life in our community. Lionism means a better understanding between business men of our community and throughout the world, for Lionism is not only local, it is international. If you study the objects of Lionism and try to emulate them, you will be a better citizen; you will be ba better businessman; you will be a better head of the family.

Each separate club is a working unit in the International organization, but each separate club is also a unit of society in its individual community. Each and every club must gear its activities to local needs while carrying out the broad objectives of the International Association.

Lionism makes you a leader with confidence and poise. Leadership is developed from associating with leaders.

Safety News

BEFORE THE TAKE-OFF, PLAN FOR THE FOLLOWING:

1. Getting the best possible performance out of your car by having it completely checked for safety. See that the headlights are properly aimed and give sufficient illumination and that the windshield wipers are in good working order. Check lubrication and gas and oil supply. Make sure brakes are dependable.

2. Emergencies, by taking inventory of supplies such as first aid kit, maps, keys, permits, passes, identification, spare tire, flash light, flares or fuses, tool kit for changing tires.

3. Sufficient time to take rest stops during the day and allow for a good night's sleep each night. Fatigue and safe driving seldom go together. Also, schedule your trip to avoid driving after sundown.

4. Frequent stops to enjoy the scenery. Never try to drive and look at interesting sights at the same time. If there's something you want to see, pull off the road and stop.

5. Changing traffic laws in states you will drive through. Learn the traffic regulations before you enter the state. Remember, being a tourist doesn't entitle you to special privileges. You must know laws of states you visit as well as you know the laws in your own locality.

6. Loading of your car with luggage and vacation equipment in such a way that the driver will have full, clear vision on front, sides and rear. Be especially careful not to obscure rear-view vision.

Man Calls Police To Prevent Wife's Suicide

Local police were called Saturday to prevent a suicide attempt by a Daly City housewife. Nick Perada summoned police when his wife Dorothy, 33, San Diego avenue, locked herself in the bathroom and threatened to cut her wrists when her husband was late for dinner, according to a police report.

Mrs. Perada opened the door for police, and it was found that she had slashed her wrists and taken 10 tablets of Amitol. She was confined in the hospital overnight.

Ridgley Cummings Reports

My Mad World

By Leonore Brewer

Part of the process of growing up musically is the Sigmund Romberg period. Although we have long since graduated from some of his more saccharine efforts, there is still a place "deep in our heart" that will always belong to his "Student Prince," a tuneful picture of a romantic other time, and to judge from the crowds that are flocking to Loew's Warfield to see M-G-M's CinamaScope production of this light opera, there must be an awful lot of people who feel the same way.

Ann Blyth makes a very fetching barmaid in this Ansco color fairy tale, and S. Z. "Cuddles" Sakall is his customary bumbling, worried self as her uncle, the keeper of the inn to which the students flock to sing and drink beer. Louis Calhern is the king who must marry off his grandson to Bette St. John, a princess who isn't the least bit interested in Prince Karl who isn't much more than a stuffed uniform. Calhern has some of the film's best lines which he delivers with evident relish, but our award for the best supporting role goes to Edmund Gwenn, the prince's tutor, who has implicit faith in the ability of his beloved Heidelberg to turn this stuffed uniform into an acceptable husband.

As everyone knows, Mario Lanza's singing voice was merged with Edmund Purdom's body, and together they make a very creditable portrait of the prince, handsome enough to make the love story believable and equipped with a vibrant tenor easily capable of handling his light musical chores. Ordinarily we are against technical tricks of this sort, but let's face it—light opera tenors are inclined to be weak-voiced, while a tenor of more robust stature generally has just that and is a romantic dud.

The well-remembered Romberg songs are there and there is even a musical bonus or two, and this brings us to our one criticism of the film. The scene in the cathedral where Prince Karl pays his last repects before the catafalque of his gradfather could have been most impressive; the color scheme, the guardsmen, the tall candlesticks, all contribute to its visual perfection. But why, oh why, couldn't the prince have just stood there, silent? Why does he have to burst into song?

This tale of the princeling who was sent to Heidelberg for a course in humanization and who meets, loves and gives up his Kathie, has a bittersweet unreality in a time that has seen royalty pass from the world stage. However the props they left behind them—the uniforms, the titles, the feeling of noblesse oblige—have been picked up by M-G-M and have been used with elegance and style. The result is a wonderful, nostalgic picture of what that world was like. Or should have been like.

Daly City Theater Files Police Complaint

A complaint was filed with police Friday that vandals tampered with the show case at the Daly City theater, 6230 Mission street. Doorman Joseph Giometti, who reported the incident, told police that he thinks the crime was committed by juveniles who had previously been kicked out of the theater.

The cable car is a public conveyance.

The Kohinoor diamond is a chunk of crystallized carbon, the Mona Lisa is a painting, Rodin's "Thinker" is a statue, Shakespeare's "Hamlet" is a play, Joseph Conrad's "Victory" is a book, and the cable car is a public conveyance.

Everybody except a few economy-minded transit officials knows the cable cars are much more than a simple and pleasurable means of getting from one place to another. As they rattle and clunk up one hill and coast down the next they are an audible and visual link between the romantic past and the mysterious future.

Venice has its canals, Sydney has its half-moon bridge, London has its double-decker buses, New York has its subway, Los Angeles its freeways—and San Francisco has her cable cars.

Lends Special Aura

Each of these man-made devices lends a special aura to the locality where it flourishes, each has become an integral part of its own particular geographic scene.

If anybody tried to drain the Venetian canals, the Italians probably would go berserk.

New York's subways and L. A.'s freeways are over-crowded and could be improved. But every visitor makes a point of personally inspecting them. And nobody seriously proposes their destruction.

And yet the voters of San Francisco stood still and allowed a greedy, and some say unscrupulous, public utilities commission to scrap half of the city's cable cars. They let a few misguided men wreck one of the community's proudest possessions.

As an exile from San Francisco and a frequent visitor to its hills and bridges, I am indignant.

Lodges Protest

As a veteran rider of the Jones Street short line, I protest.

I remember with affection the five or six block long route, with the one feeder car that used to carry passengers from Market street to connect with the O'Farrell street dinkies. The gripman and conductors were no ordinary wage slaves who counted the minutes as they put in their eight hours and collected their pay. Each was an individual in his own right, with idiosyncracies and prejudices and special friends among the regular passengers.

One of the city's most interesting and eccentric characters was the grizzled conductor who used to ride the foot-brake on the short line and reminisce about the days when he first became a cable car pilot, back when sailing ships lined the Embarcadero and the bearded deckhands used to board the cable cars at the foot of California street, swinging a seabag over their wide shoulders, standing spraddle-legged on the running board, a tar-stained hand gripping the perpendicular pipe placed for the passengers to clutch.

Steady Rider

A few years ago I used to be a steady rider on the Hyde street line to a Russian Hill destination. Few memories are more colorful than that of the vista of the Bay spreading out at the foot of Hyde street as the dinky car topped the hill at Lombard street. And on misty afternoons and evenings the foghorns were a specially haunting sound when heard from a cable car seat open to the elements.

I remember the "ding-a-ling-a-ling" of the bell and the familiar shout — "Wahchout-fur-thu-curve" —as the air-conditioned by nature vehicle negotiated the swing onto Pine street, past Sally Stanford's mysterious residence.

Like 1000s of Others

Like thousands of others I enjoyed the slow climb up Nob Hill on the California line, slowly breasting the rise between the Mark and the Fairmount, and then with accelerating speed coasting past the ancient Pacific Union club and the apartment houses, down the slope to Polk Gulch.

Riding the cable car is an experience that should not be denied future generations. Few of those who admire the City—and their names are legion—will submit to the passing of this leisurely, pleasant mode of transportation without a twinge of regret.

Many will put their twinges into action. The organization of the Cable Car Vigilantes to save the dinkies is a laudable enterprise. May their efforts be blessed with success. Long live the cable cars.

Six Local Drivers Rapped By Motor Vehicle Department

Six Daly City and north Coastside area drivers had their "knuckles rapped" in recent disciplinary action by the state motor vehicle department.

Receiving suspension of drivers licenses were: Kenneth Louis Baciocco, 755 South Mayfair avenue; Clinton Otis Berry, 321 Pacific avenue, Sharp Park; R. H. Elliot, 318 Bellevue avenue; and Eugene Homiak, 150 Carmel, Sharp Park.

Licenses of David Ellsworth Coito, 330 Willits street, and Frank Ghilarducci, 95 Windsor drive, were placed on probation.

Permanent reinstatement of license was granted to Etienne Galliano, 238 Los Banos avenue; John MacPheators, 80 Cottonwood drive; and Joseph Verece Jr., 657 Templeton avenue.

TO CLEAN IS TO SAVE

Keeping the under surface of the fenders free from mud, grease, and the like is a money saver, according to the National Automobile Club. The car owner who prefers to ignore the condition of this part of the automobile soner or later will have his attention called to it by the fact that rust has eaten through the fender. The remedy in such a case is a new part.

Council Gets Boost From Commissioner

Daly City's new city council got a hearty boost from Tom Tromborg, planning commissioner, Tuesday night at a special meeting.

Tromborg, a long-time resident here, said, "I've talked to hundreds of people recently and it's amazing the feeling they have towards the council.

"They're all happy the way the council is taking on new projects."

Tromborg added that in all the years he'd been here he'd, "never seen so many special meetings held."

"I think you fellows are doing a fine job," Tromborg said.

NEWS NOTES ABOUT LOCAL SERVICEMEN

DC NAVYMAN RETURNS FROM FAR EAST TOUR

With the destroyer tender USS Hamul when it recently returned here from its fourth tour of duty in the Far East was Gerald H. Segalas, personnel man second class, USN, son of Mr. and Mrs. Henry P. Segalas of 240 Whittier stret, Daly City.

Over 75,000 man hours spent providing services to more than 140 ships was the achievement of the 34 officers and 623 men of the Hamul during its tour of duty in the Far East.

The Hamul arrived in Yokosuka, Japan, on Nov. 28th to commence its fourth tour of duty in the Far East. After seven months of repairing destroyers in the Japanese ports of Yokosuka, Saseo, Kobe, and Nagoya, the Hamul was relieved on June 26th by the USS Frontier.

PRIVATES GRAVES SERVES IN KOREA

Pvt. Wayne E. Graves, son of Mr. and Mrs. Edward Graves, 43 Partridge lane, Daly City, recently arrived in Korea for duty with the 25th Infantry Division.

Rushed to Korea during the early days of the conflict, the "Tropic Lightning" division took part in some of the most bitter fighting on the peninsula. It is now undergoing intensive post-truce training.

Private Graves entered the Army last January and completed basic training at Fort Ord, Calif.

Cpl. James French Transferred To Ord

Cpl. James N. French, whose wife, Marge, lives at 250 Citrus avenue, Daly City, was recently transferred from Fort Lewis, Wash., to Fort Ord, Calif., where he will serve as a medical technician at the 12th Evacuation Hospital.

French, a 1951 graduate of Buckley High school, entered the Army in December, 1952, and completed basic training at Camp Roberts, Calif. His parents, Mr. and Mrs. Glen H. French, live on Route 1, Buckley, Wash.

Pfc. Fernandez Is Graduated From Non-com Academy

PFC Edward R. Fernandez, son of Mr. and Mrs. Edwards Fernandez, 438 Evergreen avenue, Daly City, recently was graduated from the I Corps Non-Commissioned Officer academy in Korea.

An assistant gunner in the 7th Infantry Division's 17th Regiment, Fernandez received instruction in leadership of units, map reading and other military subjects.

The Daly City soldier entered the Army in March, 1953, and arrived overseas 10 months ago.

Two Daly City Men Attend Summer AF Encampment

Two Daly City men, Captain Louis L. Longueville, 31 Windsor drive; and Staff Sergeant Walter K. Arms, 261 Glenwood avenue, are currently attending the annual summer encampment of the 349th Fighter Bomber Wing (United States Air Force Reserve) being held at Hamilton Air Force Base from July 18 through 31.

The Wing is composed entirely of Northern California citizen-airmen who meet and train one weekend each month and for fifteen days each summer.

In civilian life, Captain Longueville is the general manager of the Hotel and Restaurant Company in San Francisco.

Sergeant Arms, in civilian life, is a bank clerk with the American Trust Company in San Francisco.

Golden Gate Park in San Francisco, once shifting sand dunes, is now the world's largest man-made park.

Gas Tax Funds May Pay For Widening Of Mission Circle

The city council is waiting an investigation by Engineer Edwin Smith to determine whether gas tax money can be used for widening Mission circle before making a decision on improving the narrow traffic-congested street.

Mayor Joseph Verducci told THE RECORD this week that the street probably would be widened if the expense can be taken care of with tax money. He added that if this is impossible the council will then have to look into less expensive alternatives.

The mayor had previously suggested a public opinion poll of persons living in the area of Mission circle.

The city's tentative plan of reversing the flow of traffic on Mission circle ran into heavy opposition at a public hearing on Monday night during the regular meeting of the city council.

A resolution reversing the flow of traffic from north to south which was scheduled to come before the council Monday night was taken off the agenda in view of public hearing.

Objections started out with the reading of a letter from Raymond Charette, 75 Mission circle. Charette asked that the 72 inch sidewalks be lessened to make room for a two-way street.

"The reverse flow of traffic is questionable and will probably bring other problems of a more serious nature than the one we now encounter," the letter read.

Charette also suggested that the end of Vendome avenue be paved to take care of part of the traffic which is now forced up Mission circle.

Mrs. Ivan T. Budaeff, 2 Mission circle, who appeared with a strong nest of supporters, next addressed the council. She also advocated widening the street and said that the post office on Mission circle should be accessible to all.

"Are we so ashamed of the post office and city on top of the hill that we can't improve it?" she asked the council. She closed by saying that she hoped the theme song hasn't become "Go West, young man, go West."

No complaints were heard on public hearings concerning the rezoning of Quarry property, Vista Grande avenue or Teresa terrace.

Mason Discovers Damage In Memorial Building

Two juveniles were turned over to juvenile authorities this week after confessing to local police that they had kicked plaster ali over the floor of the men's rest room on the upper floor of the War Memorial building.

Recreation Director James Mason discovered the damage July 23 while closing up the building and reported it to police.

SUBDIVISION LAW STUDIED; SPECIAL MEET AUGUST 16th

A proposed subdivision ordinance, 21 pages in length and governing every phase of building and zoning in Daly City, was studied by the local planning commission and the city council Tuesday night.

Several amendments to the original text were recommended and will be discussed at a special session August 16.

Heads of city departments will be asked to review the proposed ordinance and submit a report on it containing their recommendations. The report will be due prior to the August 16 meeting.

The council commended Daly City's planners for their labors in preparing the ordinance, which has long been cited as a necessity here.

COUNCIL DELAYS BOE MEET UNTIL AUGUST 9

The city council will continue sitting as the board of equalization August 9. Mayor Joseph Verducci asked for a motion to continue the adjournment because the members had not yet had time to consider assessment or tax protests.

At the opening meeting of the board on July 19 the council heard a "plea of clemency" on property assessment from James Stanton, representing the Daly City theater. The board will take up the plea next Monday, at which time persons with other protests may be heard.

Maintaining cleanliness constitutes a major expense in the operation of California's State Park System. Do your share. Keep a clean camp and picnic site.

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello Neighbors:

Well, here I am back at this excuse for a typewriter trying to catch up on all that has been happening since I left home. One thing one learns when one is gone is that life and its events keep going on whether one is home or not. That is good. There is so much of beauty in this crazy old world of ours that it would really be sad if any of it was missed at all.

As is usual the folks had birthdays, anniversaries, and one of the neighbors is at St. Luke's hospital at the moment of this typing waiting to see whether she will have a grandson or grand daughter. If it happens before I get through I'll let you know who and what. If not we will all have to wait until next week.

Congratulations from all the folks are extended this week to MR. and MRS. JOSEPH CASTELLANO of Santa Cruz avenue on the event of their 18th wedding anniversary which fell on Sunday, July 18. They celebrated the day with the help of family and friends who all came to join them in a family dinner and wish them many happy returns. The same goes for all the rest of us too, MARY and JOE.

Texas came to California, and California, in the persons of MR. and MRS. HOYLE and LOUIE COOPER, went to Texas for three weeks this summer. Seems like the Coopers who traveled many miles to see their folks and have a good time were very glad to return home to our town and all their friends and neighbors. Needless to say all Louie's friends were most happy to see him return.

Boulder Creek seems to be the home away from home for many of the folks in the summer. It is a very nice thing to know people of other places as well as those at home. One of the nicest of neighbors in Boulder Creek is the proprietor of the bowling alley there. Seems one of the younger generation left his jacket there over the Memorial Day holiday. He didn't return to Boulder until a week ago and guess what. The Jacket was not only there but had been sent out to the cleaners and all the owners would take was the money for the cleaning bill. Just thought the folks would like to know where to meet another of your neighbors and mine sometime when you are passing through Boulder Creek.

Items of Interest

Summer is a time for travel and one of the nicest of neighbors is in a traveling mood. Of course all who know RHODA RACHOR know that she is having the time of her life trying to outwit the fish from California to Oregon to Washington. Take it easy RHODA, don't catch too many or your good right arm won't be able to give those fine haircuts that many of the neighbors are waiting for.

Sympathies of all the neighbors are extended belatedly to MRS. MAY BAKER of Theta avenue on the passing of her brother. May had been very close to him up until the last few years when a mix-up of addresses caused them to lose track of each other. Nevertheless she was the one who was most concerned and all of us are happy to see her among us and smiling again.

Just saw the first copy put out by the new editor of the EAGLE'S AUXILIARY 1848 monthly paper, MRS. DOLORES WARREN. She is to be congratulated on the fine paper that we all received and all of us want her to know that it is appreciated.

Returning home after a three weeks vacation spent with friends is one of our town's most popular young ladies, MISS DOLLY CASTELLANO of Santa Cruz avenue. She spent the time between Richardson's Grove State Park, Hickey State Park and Boulder Creek. It was Dolly's first experience camping in a tent and she really had a fine time and is looking forward to the next one.

Among those who are spending their summer vacation at the Stumble Inn in Felton are MAUD and ART ALVISO. Of course where they are one expects to see company which is just what they have had. Among those who have spent their vacation there are MR. and MRS. ALLEN BRUSH and family and DOLORES and SANDRA ROWAN also grandchildren. Nicer grandparents I have never known and they really do have the fun with the kids.

Among those who were seen at Boulder Creek this past week were LT. ROY BEECHER of the Daly City police department and family — THELMA, JOY, JUDY and BUDDY. Just to make it a full house they had as guest MISS MARDELL FOX.

Servicemen

Heard from A 2/c DICK PHELPS of Japan this week. He is really seeing things in a different light at the present time. He thought he had seen rain before but nothing like he is seeing in Korea now. Seems that it has rained so hard that they have had to evacuate the base and wait for the waters to subside before they can go back and clean up the mess. Dick is from a dry state and this to him is really something to behold. "Oh well!" says Dick, "I only have seventeen more months to go."

Among those heard from is PVT. JOSEPH EAGEN of the U. S. Marine Corps. A few years ago Joe was in the U. S. Army stationed in Germany. Now just to make things a little different and to give him a change of scenery the Marines have plans for him in Japan. In the meantime he has been home to see all his family and friends who wish him well in his new station.

BILL BEECHER of the U. S. Navy is well known not only to the folks at home but equally to those in Boulder Creek where he spent the last weekend with friends. Bill is still waiting for that ship that never seems to come in. In the meantime all his pals at home are most happy to see him still around.

PVT. JAMES J. JASTRUMSKE is among those who is being missed around town lately. Seems the U. S. Army at Fort Ord always has other plans when it is time for Jim to get a pass. Nevertheless he hasn't lost heart and says to tell all his buddies that he sure hopes to make it this weekend for sure.

Among those who returned from two weeks service with the National Guard at Camp Hunter Liggett was BILL BRUSH JR. He really had it, to hear him. He enjoyed the experience but the hot weather you can keep. Of course the weatherman always has to produce a heat wave just when the boys from the fog belt arrive. With Bill were many Daly City boys who all belong to our town's own unit of the National Guard. Congratulations fellows on a job well done from all of us.

Getting ready to pack his duffel bag for another trip to sea is PETTY OFFICER 3/c RICHARD E. NEGHERBON JR. He has chosen to remain with the crew of the U. S. S. Hopewell, a destroyer in Uncle Sam's Navy. Seems once a destroyer man always a destroyer man and Richie is no different from all the rest. Bon Voyage from all of us.

News and Views

Welcomed back to our town is one of the nicest of people who have made their home with us off and on for the past ten years. MRS. AGNES FLAHERTY, mother of MRS. MARY MADDEN of Knowles avenue and MRS. GAY EAGEN of Los Olivos avenue is a most welcome sight. One gets to know people and it is such a pleasure to have them returning to live with us. This time is for good, we hope.

Leaving us for a month's vacation on the Russian River are MR. and MRS. LYLE INGERSOLL, two of well known neighbors. Before she left Ann Wrote me about a project she is interested in which at a future date I shall pass on to all the folks. She would like to take the opportunity through this column of thanking all the folks who supported her luncheons and gave generously towards the Girl Scout Camp Fund. She says, "My friends were wonderful and I do appreciate it. We must continue with the job as we need a great deal more." Ann is such a hard worker in anything she is interested in that I'm sure that she need have no worry about her beloved Girl Scouts.

Found a card of anhouncement on my return which really made me sit up and realize the passing of time. MR. and MRS. JIMMIE RIGGINS, the erstwhile BETTIE DUFFY are the proud parents of a baby girl—Deborah Jayne who arrived weighing 7 lbs., 5 ozs. One forgets just how fast youngsters grow up. I have known Bet since she was the size of her own baby and a nicer and sweeter girl I guess knowing. She was always the same with her nice smile for one and all that she happened to meet at any time. Congratulations, kids, on the new member of your family.

One of the most exciting of gathering for the young fry held this summer was the picnic held by the Eagles' Auxiliary at San Bruno park a week ago. Chairman of this grand project which was fun for the parents as well as the kids was MRS. MIDGE FEHL and it really was a grand time.

Well, folks, I will say that it is really good to be back home and I'll be looking forward to talking to all of you in the next week. Remember the phone is still PL. 5-6482 and the folks want to hear about your vacation so I'll be waiting for you. Bye Now.

CONCERT GROUP ANNOUNCES TWO AREA CONTESTS

Two contests, open to readers of this newspaper or anyone living in the area served by this newspaper, were announced this week by Thomas E. Brewer, president and co-membership chairman of Vista Grande Community Concert association.

Brewer, working with a committee composed of Roy A. Walker, Mrs. W. A. Hyers and Mrs. Walter Rentsch, said that the first, a slogan contest would be open to every adult and child living in this area. The slogan or motto chosen from those submitted will be adopted as the official slogan of the Vista Grande Community Concert association, a newly formed organization that will bring a yearlong series of concerts to residents of northern San Mateo county on a membership-only basis.

Keep Entries Short

Local entrants are reminded that that the parent organization, Community Concerts, Inc., of New York, uses "A Carnegie Hall in Every Community" as their slogan. Contestants should keep their entries short and bring home the idea that the association is a community project to bring music to this area under the sponsorship of a member-controlled organization.

The second of the contests is directed to the youth of the area, and will be a poster contest to advertize the forthcoming membership drive to be held September 13 to 18. Seventh, eighth and ninth grade students will constitute one group, and tenth, eleventh and twelfth graders the other. A boy and girl winner from each group will be selected, making four winners in all.

DC-Colma Lions Plan First Annual Dance

The Daly City-Colma Lions this week announced the holding of their first annual dance, set for October 16 at the Daly City community center.

It will mark the first time in the history of the local service club that such an activity has been held.

General chairman is Roy Arneson, while Nate Temkin will be in charge of the souvenir program and Broadmoor Police Chief Ray Savage will head the beverage and refreshment committee.

Proceeds of the dance will go towards the Lions' general fund.

A meeting has been scheduled for tonight (Wednesday) to discuss further details of the activity.

Builder's Report Gives Go-Ahead On Serra Lift-Slab Construction

Construction of the new Serra Catholic High school in San Mateo, interrupted by an accident July 15, is continuing, according to Architect Vincent G. Raney.

Investigation by engineers and contractors determined the accident involved incomplete diagonal bracing on the supporting columns, required only during the contruction period. The Raney design provides an extraordinary high safety factor in the completed structure.

MAPS, STICKERS WILL AID TELEPHONE CUSTOMERS IN WIDE RANGE DIALING

Maps and little trapezoid-shaped yellow stickers are being mailed to some 800,000 Pacific Telephone customers in San Francisco and the East Bay.

The maps and stickers will help make it easier for telephone customers to change their calling habits when wide range dialing goes into effect, beginning August 1.

With wide range dialing—a $3,000,000 project—it will be just as easy to dial a call to San Jose or San Rafael and many other nearby cities as it is to dial across the street.

Under wide range dialing, San Francisco and East Bay telephone users will be able to dial directly to more than one million telephones in 50 Bay Area communities.

"It will take six weeks to convert all of San Francisco and the East Bay Zone to the new system," said Roy N. Buell, San Francisco division manager for Pacific Telephone.

"The first group to get wide range dialing will be DOuglas 2, EXbrook 2, GArfield 1, SUtter 1 and YUkon 6 telephones. They'll have it on Sunday, August 1. Then each Sunday—through September 5—another group will be added.

"The map shows the wide range dialing area. The sticker carries the date your telephone will have wide range dialing."

A demonstration of the electronic equipment which makes wide range dialing possible is being held at the telephone business office at 444 Bush street. It is open from 8:30 a.m. to 5 p.m., Monday through Friday.

Calls placed to wide range dialing points will continue to be lumped together and billed as message units.

To make possible cheaper rates, calls figured in message units are all shown together on your bill as one charge, instead of being itemized.

Without this simplified method of billing the amount of time required to show the charge for each individual call to other Bay Area communities would make the cost of preparing the bill out of proportion to the total charge.

DAMAGES $3500 IN EARLY MORN TAVERN BLAZE

Firemen battled for more than half an hour last Friday morning to extinguish a blaze at Rudie's Redwood Room, Junipero Serra and 89th street, that did an estimated $3500 damage.

The local department was summoned at 1 a.m. by A. A. Arnold of Mill Valley, who was passing by the establishment and noticed flames leaping from the rear of the establishment.

Fire Chief Elmer Kennedy said cause of the blaze, which destroyed most of the kitchen and a portion of the bar, has not been determined.

The establishment was not open for business, Kennedy said, since the proprietor, Rudie Tretten, was vacationing.

Tretten and his wife were preparing to leave for Seattle the day of the fire, and had planned to reopen the tavern August 3.

According to Kennedy, Tretten's son had been in the building the previous day doing some painting in preparation for the re-opening.

The fire might have been started by a discarded cigarette or rags soaked with inflammable material from the painting, Kennedy speculated.

Fire companies 1, 2 and 6 were at the scene more than two hours cleaning up the debris.

WHAT'S DOING

Thomas R. Gilbert, your Telephone Manager in Daly City

No extra charge for repairs

Your telephone is ruggedly built and doesn't often need repairs. In fact, it's so easy to take care of that about all you have to do to it is dust it once in a while and see that its cords don't get twisted. But if it ever should need fixing, please let an expert from our office do it for you. After all, your telephone is one thing in your home that's repaired and maintained at no extra charge to you. This is one way we protect its usefulness to you . . . to make, and keep, your telephone a real bargain in your family budget. **Pacific Telephone works to make your telephone a bigger value every day.**

Call ahead for reservations

You're off to a good trip when you line up hotel or motel reservations ahead of time. And what better way than by telephone? It only takes a minute or two . . . costs but little. So, when planning weekend vacations . . . or while driving to your overnight stop on longer trips . . . why not call ahead and make sure the rooms you want will be waiting when you get there. You'll be surprised at how little it costs to have the peace of mind that will make your whole trip more fun.

VISITING NURSES ASSOCIATION NORTH COUNTY MEET MAPPED HERE

VISITING NURSING—24 mach ..

Miss Monica Finn, north county district nursing supervisor, was hostess at a planning meeting held in her office at 7375 Mission street, Daly City, last week. Transportation and arrangements were planned for the Visiting Nursing association's north county membership meeting to be held October 25 at the War Memorial community center in Daly City.

Mrs. Sanford Vickers is arrangements chairman for the events, and also chairman for Daly City and Colma. Mrs. Elizabeth Duncan is Brisbane chairman, and Mrs. Thomas J. McNamara is Bayshore chairman.

Among those who attended last week's meeting were Mrs. Vincent Murphy and Mrs. Lois Swanson of Colma and Mrs. E. H. Robertson of Bayshore. Mrs. Edward A. Macklin and Mrs. Max Hoffman of Colma are also on the committee.

Purpose of the October meeting, according to Mrs. Vickers, is to inform more people about what the Visiting Nursing association can do for them. Invitations have been sent to local organizations to send representatives. Mrs. Vickers stressed, however, that she is very anxious to hear from any individual or group who has not been contacted and who would like to attend the meeting. He phone number is PL. 5-3590.

'Red Mill' To Open; Stars Local Girl

Victor Herbert's operetta "The Red Mill," starring Daly City's Carmen Moro in the leading role, opens tomorrow (Friday) at 8:15 p.m. at San Mateo High school auditorium.

Ken Bradshaw, son of Publisher of THE RECORD Harold Bradshaw, is a featured member of the cast. Another local girl, Donna Varden, also will be seen in the musical.

The popular operetta will continue to play Saturday, August 6 and 7. Tickets are on sale at Lloyd A. Wollmer and company, 1315 Burlingame avenue, Burlingame; The Music House, 222 Third avenue, San Mateo; and High Fidelity Unlimited, 935 El Camino Real, Menlo Park. Tickets also may be purchased at the box office. Seats are priced at $1 for adults and 65 cents for young people 18 or younger.

General director for the production is Howard Kay, College of San Mateo music instructor.

Old Glory Auxiliary Plans August Card Party

Old Glory auxiliary held their meeting at Masonic Hall on Friday evening with Josephine Valente presiding.

Tentative plans were made to hold a card party in August. After the meeting refreshments were enjoyed at Little Italy Hall with the post.

Old Glory Auxiliary members that attended the San Mateo Santa Clara counties council were: Josephine Valente, president; Leona Lombardi, Dolly Lewkowitz, Clara Poket, secretary of the council; Marie Gehrig, Ruth Brulez, Catherine McKeown and Marjorie Johnson.

Old Glory auxiliary and Lake Merced auxiliary will serve refreshments at the county council at Palo Alto in August.

VFW INITIATES WIFE OF KOREAN VETERAN

At the last meeting of Lake Merced auxiliary 9921, Veterans of Foreign Wars, Mrs. Beverly J. Jones received her initiation into the auxiliary by President Anita Woods. Mrs. Jones is the second member of the auxiliary whose husband saw active duty during the Korean war.

Mrs. Rose Mary Coulter, youth activity chairman, reports that the VFW beach party for teen agers at Montara beach was very successful. Over 25 young people attended. Mrs. Coulter also announces that the last teen age dance held at the Broadmoor Village community center was very successful in spite of a small turnout.

Plans are now underway for a roller skate night at the Roller rink in San Mateo and a Lollypop party for children between the ages of 3 to 8.

B'MOOR YOUTH RECREATION PLAN HAS GOOD START

The recreation program sponsored by the Broadmoor Youth council with funds from the Village Fair and festival is off to a good start, according to Mrs. Larry Green, secretary of the council's executive committee.

Special recreation activities planned by the council will include a picnic on August 19. Reular activities will be continued at the Garden Village school grounds for those who do not wish to attend the picnic. A play day with a track meet, sack races and other features also is scheduled by the council for September 2. Prizes for the event will be made by the arts and crafts group.

In order to further the variety of arts and crafts, Mrs. R. A. Flint suggests that the following articles could be put to good use. She adds that any contributions would be much appreciated:

Old felt hats, for felt scraps, leftover sewing material, for pictures, puppets, etc.; old phonograph records, for molding into planters for dried flower arrangements; scraps of cotton or wool yarn, for weaving; buttons, for decorations and trim; and mason jar caps, for making small pictures.

DC Stardusters Host Dancers From Other Areas

Folk and square dancers from far-flung spots gathered in Daly City Saturday as the Daly City Stardusters held their monthly party at the American Legion hall, 474 San Diego avenue.

Dancing was to recorded music, with Al Patton the local caller.

Visiting clubs on hand were the Docey Dandies from Millbrae, the Villagers and the Skits and Misses from Hayward, Caper Cutters and the Hi Steppers from San Francisco, Circle Eighters from Brisbane and the Bustles and Bows from San Bruno.

Frank Pyrrel from the Single Swingers in Oakland and Durward Lockart from San Bruno were guest callers.

Patton announced this week that he plans to start a community class for dancers here on September 13.

ASPIRING ARTISTS take time out from their creative work at the Garden Village school to pose for the camera. The arts and crafts instruction is part of the newly-formed Broadmoor Youth council's recreation program which is now in full swing. Children in the arts and crafts group are busy now making prizes for events to be held at a picnic on August 19.

Village Play School Plans Annual Dance

Extensive preparations are currently under way for the fourth annual dance to be given by the parent-members of the Village Play school.

The excellent facilities of the Lakeshore Plaza Auditorium will be the setting for the dance-carnival, and while the patrons are dancing to the rhythmic strains of a modern dance orchestra, many activities will be going on at the decorative variety of booths. There will be "something doing" every minute to appeal to all age groups.

The highlight of the booth array will be, of course, the kissing booth. There will be, as well, a basketball setup for the sports-minded, a dart game, and a ring-toss booth.

At the refreshment counter, Larry Phillips of Broadmoor, who for the past three years has won fame as a chef, will be presiding over the footlong, over-sized hot dogs, without which no Village Play School Dance would be complete. Soft drinks, beer, and home baked pastries will also be available.

Not the least of the attractions of this eagerly-anticipated-evening will be the midnight drawing of tickets to determine the lucky recipients of a Dryer, Jalopy and floorwaxer.

High-schoolers and those families which are interested in acquiring a second car will be particularly interested in the jalopy!

The purpose of all these preparations is to enable the Village Play school to re-open in September. The proceeds of the dance will be used to purchase new equipment, pay the salaries of the director and the assistant teacher, and meet the daily overhead expenses of the school.

The Village Play school is a non-profit, non-sectarian, cooperative nursery school, sponsored by Jefferson Union School district and serves the pre-school children of the Daly City, Colma, South San Francisco area. For further information, call Mrs. John Azevedo, PL. 5-5238.

Fifty Year Mark Is Celebrated By Redwood City Pair

Luncheon in the patio of their Redwood City home marked 50 years of wedded life for Mr. and Mrs. E. A. Alridge, who were married on July 2, 1904.

The Aldridges are the parents of Mrs. F. L. Tholen, 362 Willits street, Daly City, Mrs. B. Edwards of Watsonville, F. W. Aldridge of Turlock and S. E. Aldridge of Chowchilla.

Many friends and relatives helped the couple celebrate the occasion at the luncheon.

Cutting of the Golden Wedding cake climaxed the occasion.

St. Michael's Parish Plans Monthly Game

The monthly whist game sponsored by the Catholic Ladies Aid society of St. Michael's parish, San Francisco, will be held at 1:30 p.m. August 5 in the school auditorium, 55 Farallones street, according to Secretary Louise Buckholz.

Proceeds will be used for the group's charitable projects. Alice Curtin is in charge of the committee, whose members have last names beginning with C and D.

Young Daly City Pianist Among 20 In U. S. To Play

Gayle Kulik, 15-year-old daughter of Mr. and Mrs. John Kulik, 74 Tallwood drive, can be numbered among a select group of musicians.

Miss Kulik will be among 20 piano students throughout the entire United States who will perform in the 1954 Piano Teacher convention at Los Angeles August 6.

A student of the Edna Hyers Music Studio, 57 Gambetta, Miss Kulik will have as her piano selection at the convention "Estudiantina," by Waldteufel.

Mrs. Hyers will accompany her pupil to the convention, which opens August 2 and lasts through August 7 at the Hotel Statler.

"THIS IS THE DAY" SERMON TOPIC AT 101 VISTA GRANDE

The 101 Vista Grande Avenue Christian church announces that its minister, Dr. Howard Patrick McConnell, will speak Sunday morning at 10:55 o'clock on the subject "This Is The Day." Bible school is held at 9:30 o'clock with a nursery for both services.

The Christian Youth Fellowship meets at 7 p.m. under the sponsorship of Mr. and Mrs. Harold Emmert.

One of the unique features of the morning service will be the dedication of several little children.

Officers meeting, under the direction of Everett Allen, will be held on Tuesday evening.

Work night is held on Wednesday and the weekly Bible study is held on Thursday evening.

Joyce Doelger Plans February Wedding

Mr. and Mrs. John Doelger of Westlake last week announced the engagement of their daughter, Joyce Elaine, to David J. Michel. Miss Doelger is the niece of Mr. and Mrs. Henry Doelger.

The engagement was announced to the family, but came as no surprise as Joyce and Dave have known each other since they were both attending Lincoln high school in San Francisco.

The wedding is planned for February at the Church of the Incarnation in San Francisco. Mrs. Gary Brown, Joyce's sister, will serve as her matron of honor. Janice Michel, Dave's sister, will be her other attendent, and Susan Doelger, daughter of the Henry Doelgers, will take on flower girl duties.

Joyce, 18, is now attending the California secretarial school and plans to start working for her uncle in the fall.

The future bridegroom is the son of Mr. and Mrs. Bertram Michel of San Francisco. He is employed as an apprentice carpenter with Henry Doelger builders.

The couple plan to live in Westlake after their marriage.

Witchdoctor Story On Screen Tonight At Assembly Church

"I was a Witchdoctor," an unusual missionary picture in full natural color telling the gripping story of the conversion of a Guatemalan brujo — witchdoctor — will be shown at the First Assembly of God Church, Evergreen and Hanover streets, tonight (Friday) at 7:45 p.m.

John Franklin, missionary to

John Franklin

. . . "fiendish orgies"

Guatemala, will narrate the movie showing the "devilish, superstitious practices engaged in by the witchdoctor."

According to church authorities, the film depicts the "power of God saving a drunken lost soul—the brujo—who in his fiendish orgies attempts to end his life on the cliffs overlooking beautiful Lake Atitlan."

MOTHERS' GROUP WILL HOLD PARTY

The Mothers' club of Our Lady of Perpetual Help will hold its monthly whist party August 3 at 1:30 p.m. in the school auditorium, 80 Wellington avenue here. During the vacation months there will be no dessert served, according to chairman Mrs. Janet Fellman.

The Mothers' club sewing committee is continuing its activities during the vacation months, however, as much has to be done to prepare for the club's many activities. Mrs. Esther Nolan, chairman of the sewing committee, announced that sewing is being done in the hall behnid Our Lady of Perpetual Help church on Wednesday from 10:30 a.m. to 2:30 p.m. All are invited to attend. Bring your lunch, coffee will be served.

A Message from Lee Bagrash
Your Pharmacist

PHARMACY IS PROGRESSING so rapidly that we can no longer depend on the knowledge we gained when we studied in our College of Pharmacy. More than 75% of the medicines we dispense in your prescriptions were unknown 10 years ago.

EVERY DAY NEW DISCOVERIES are released, for prescription use, and we immediately stock them. We must know their actions and their dosage, for it is not unusual for Physicians to request information from us about the availability of the newer medicines.

IN ORDER TO BE ABLE to be properly informed we carefully read our Association Journals and other drug publications. We also receive reports from Pharmaceutical Manufacturers, and carefully file them for ready reference.

WE ARE continuously striving to be worthy of the confidence you have in our ability to compound your prescriptions.

North End Demos Elect New Officers

The North End Democratic club of Daly City and Colma met last week in the Broadmoor community center to elect officers for the current year.

The officers-elect to be installed at the regular August meeting will be Owen D. English, president; D. L. Dilbeck, vice president; Mary Robbins, treasurer; Helen F. English, secretary.

Outgoing president Howard Richardson reported on the first meeting of the San Mateo County Democratic Central Committee. Of the central committee's 25 members four are members of the Daly City-Colma Democratic club.

Elected from Westlake was Mrs. Veronica Galvin, while James McKay, Thomas Jenkins and Howard Richardson represent Broadmoor.

McKay has been elected first vice chairman of the committee.

Local Woman Reports Missing Watch To Police

Mrs. Helen Beaton, 98 West Cavour street, has filed a complaint with police reporting the thef of a watch on Sunday afternoon. She said that she had placed the watch on a box in her back yard while gardening, and upon returning from a 15-minute phone call, she found the watch missing.

BROADMOOR COP COMMISSIONER RESIGNATION IN

Broadmoor police commission chairman Val Olson, who moved out of the area seven weeks ago, has resigned his position, it was learned this week.

Joseph Belli Jr., who will be successor to Olson as chairman, said he has received an official resignation from Olson which will be read at the commission's next regular meeting, August 11.

Belli said Olson asked that his resignation be made effective back to July 15.

Olson moved to Novato, Marin county, seven weeks ago, but submitted no resignation from the commission at the time of his departure.

The county board of supervisors will appoint someone to fill Olson's place on the commission.

NOTICE TO VOTERS

NOTICE IS HEREBY GIVEN to the electors of the State of California that the following Bond Act will be submitted to the People of the State of California for their ratification at the next general election to be held on the second day of November, A.D., 1954.

FRANK M. JORDAN,
Secretary of State.

FOR THE VETERANS BOND ACT OF 1954.

This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes.

1

AGAINST THE VETERANS BOND ACT OF 1954.

This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans.

This proposed law, by act of the Legislature passed at the 1954 First Extraordinary Session, is submitted to the people in accordance with the provisions of Article XVI of the Constitution.

(This proposed law does not expressly amend any existing law; therefore, the provisions thereof are printed in BLACK-FACED TYPE to indicate that they are NEW.)

PROPOSED LAW

An act to add Article 5e to Chapter 6 of Division 4 of the Military and Veterans Code, authorizing the creation of a debt or debts, liability or liabilities, through the issuance and sale of state bonds, to create a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and acts amendatory and supplemental thereto; defining the powers and duties of said committee and of the Department of Veterans Affairs and other state officers in respect to the administration of the provisions hereof; providing ways and means, exclusive of loans, for the payment of the interest of such debt or debts, liability or liabilities, as such interest falls due, and also for the payment and discharge of the principal of such debt or debts, liability or liabilities, as such principal matures; and providing for the submission of this act to a vote of the people at the general election to be held in the month of November, 1954.

The people of the State of California do enact as follows:

Section 1. Article 5e is added to Chapter 6 of Division 4 of the Military and Veterans Code, to read:

Article 5e. Veterans Bond Act of 1954

996.25. This article may be cited as the Veterans Bond Act of 1954.

996.26. For the purpose of creating a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and of all acts amendatory thereof and supplemental thereto, the Veterans' Finance Committee of 1943, created by Section 991, shall be and it hereby is authorized and empowered to create a debt or debts, liability or liabilities, of the State of California, in the manner and to the extent hereinafter provided, but not otherwise, nor in excess thereof.

996.27. After adoption of any resolution by the Veterans' Finance Committee of 1943, provided for in Section 996.34 the State Treasurer shall arrange for the preparation of the requisite number of suitable bonds in accordance with the specifications contained in such resolution. The aggregate par value of all bonds issued under this article shall not exceed the sum of one hundred seventy-five million dollars ($175,000,000) and shall bear interest at a rate not exceeding 5 percent per annum payable as provided in such resolution. Both principal and interest shall be payable in lawful money of the United States, at the Office of the State Treasurer, or at the office of any duly authorized agent of the State Treasurer.

All bonds issued under this article shall bear the facsimile signature of the Governor and the facsimile countersignature of the Controller and shall be endorsed by the State Treasurer either by original signature or by a signature stamp, and the bonds shall be signed, countersigned, and endorsed by the officers who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943, and each of said bonds shall bear an impress of the Great Seal of the State of California. Interest coupons attached to each bond shall bear the facsimile signature of the State Treasurer who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943. The Veterans' Finance Committee of 1943 may require that said bonds be authenticated by the State Controller or by any Deputy State Controller, and in such event no bond authorized hereunder shall be valid unless so authenticated in the manner so required. The bonds or coupons so signed, countersigned, endorsed, and sealed, when sold, shall be and constitute a valid and binding general obligation upon the State of California, although the sale or delivery thereof be made at a date or dates upon which the officers having signed, countersigned, and endorsed said bonds or coupons, or any or either of said officers, shall have ceased to be the incumbents of the offices held by them at the date of adoption of the resolution of the Veterans' Finance Committee of 1943. Each bond issue under this article shall contain a clause or clauses referring to this article and to the resolution of the Veterans' Finance Committee of 1943 hereunder by virtue of which said bond is issued, and if subject to call or redemption prior to maturity, shall contain a recital to that effect.

996.28. The State Treasurer shall, on the respective dates of maturity or prior redemption of said bonds, or as soon thereafter as said bonds are surrendered to him, pay the same out of the proceeds of the Controller's warrants drawn in his favor as provided in Section 996.29 and perforate the bonds so paid with a suitable device in a manner to indicate such payment and the date thereof. The State Treasurer, or his duly authorized agent, shall also, on the respective dates of maturity, cancel all bonds and appurtenant coupons bearing said dates of maturity and remaining unsold, by perforation with a suitable device in a manner to indicate such cancellation and the date thereof; provided, however, new bonds may be prepared and executed in lieu of bonds canceled solely by reason of the fact that such bonds have not been sold prior to their fixed maturity dates, whenever the Veterans' Finance Committee of 1943 shall determine such new bonds shall be prepared and executed, subject to the condition the total indebtedness created hereunder shall not exceed the maximum limit herein specified. Not less than four years after the final maturity date of a particular issue of bonds, the State Treasurer, or his duly authorized agent, may destroy or cremate any bonds of such issue which have been previously paid or canceled as hereinbefore provided.

996.29. All bonds herein authorized, which shall have been duly sold and delivered as herein provided, shall constitute valid and legally binding general obligations of the State of California, and the full faith and credit of the State of California is hereby pledged for the punctual payment of both principal and interest thereof. There is hereby appropriated from the General Fund in the State Treasury such sum annually as will be necessary to pay the principal of and the interest on the bonds issued and sold pursuant to the provisions of this article, as said principal and interest become due and payable.

There shall be collected annually in the same manner and at the same time as other state revenue is collected such a sum, in addition to the ordinary revenues of the State, as shall be required to pay the principal and interest on said bonds as herein provided, and it is hereby made the duty of all officers charged by law with any duty in regard to the collections of said revenue, to do and perform each and every act which shall be necessary to collect such additional sum.

On the several dates of maturity of said principal and interest in each fiscal year, there shall be returned into the General Fund in the State Treasury, all of the money in the Veterans' Farm and Home Building Fund of 1943, not in excess of the principal of and interest on the said bonds then due and payable, except as hereinafter provided for the prior redemption of said bonds, and, in the event such money so returned on said dates of maturity being less than the said principal and interest then due and payable, then the balance remaining unpaid shall be returned into the General Fund in the State Treasury out of said Veterans' Farm and Home Building Fund of 1943 as soon thereafter as it shall become available, together with interest thereon from such dates of maturity until so returned at the same rate as borne by said bonds, compounded semi-annually.

Both principal and interest of said bonds shall be paid when due upon warrants duly drawn against said appropriation from the General Fund by the Controller of the State in favor of the State Treasurer, or his duly authorized agent, and the money to be returned into the General Fund in the State Treasury pursuant to the provisions of this section shall likewise be paid as herein provided upon warrants duly drawn by the Controller. The Department of Veterans Affairs, by resolution approved by the Veterans' Finance Committee of 1943, shall direct the State Treasurer to call bonds (which are then subject to redemption) if such call is desirable and whenever funds are available to effect such redemption, the part of each issue so called to be not less than all of the bonds maturing in any one year. Notice of such redemption shall be given by the State Treasurer in the manner provided in the resolution authorizing the issuance of said bonds.

996.30. The bonds authorized to be issued under this article shall be sold by the State Treasurer to the highest bidder for cash, either at public auction or upon sealed bids as the Veterans' Finance Committee of 1943 may by resolution determine. The Treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered plus the interest which shall have accrued thereon between the date of purchaser's payment for said bonds and the last preceding interest maturity date; and the Treasurer may from time to time, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered, at such time and place as he may select. If said bonds are offered for sale upon sealed bids, then each bid shall be in writing and signed by the bidder and sealed, and shall be accompanied by the deposit of a certified check or cashier's check for five thousand dollars ($5,000), drawn on a bank or trust company authorized to transact and transacting business in the State of California, payable to the Treasurer of the State of California, such deposit not to bear interest. The deposit of each unsuccessful bidder shall be returned to him immediately upon the nonacceptance of his bid, and the deposit of the successful bidder shall immediately upon the acceptance of his bid become and be the property of the State of California and be placed in the State Treasury to the credit of the Veterans' Farm and Home Building Fund of 1943, and shall be credited to the successful purchaser upon the purchase price of the bonds bid for in case such purchase price is paid in full by him within the time mutually agreed upon between the successful bidder and the Treasurer. If the purchase price is not so paid, the successful bidder shall have no right in and to said bonds or by reason of said bid, or to the recovery of said deposit accompanying said bid, or to any allowance or credit by reason of such deposit unless it shall appear that the bonds would not be validly issued if delivered to the purchaser in the form and manner proposed. In case the purchase price is not so paid, the bonds so sold but not paid for shall be resold by the State Treasurer upon notice as provided in case of original sale.

Temporary or interim bonds, certificates, or receipts of any denomination whatever and with or without coupons attached thereto, to be signed by the State Treasurer, may be issued and delivered until the definitive bonds are executed and available for delivery. Signature of the State Treasurer may be by signature stamp.

996.31. Due notice of the time and place of sale of all bonds shall be given by said Treasurer by publication in one newspaper published in the City and County of San Francisco and also by publication in one newspaper published in the City of Sacramento and by publication in one newspaper published in the City of Los Angeles once a week during two weeks prior to such sale. In addition to the notice last above provided for, the State Treasurer may give such further notice as he may deem advisable, but the expense and cost of such additional notice shall not exceed the sum of five hundred dollars ($500) for each sale so advertised. The proceeds of the sale of such bonds and such amount as may have been paid as accrued interest thereon shall be forthwith paid over by said Treasurer into the Veterans' Farm and Home Building Fund of 1943 and must be used exclusively in aiding veterans in the acquisition of, or payments for, farms and homes, in accordance with the provisions of this chapter; provided, that the proceeds from the sale of said bonds may be used to pay the debt created by the issuance and sale thereof.

996.32. The Department of Veterans Affairs is authorized, with approval of the Department of Finance, to invest any surplus money in the Veterans' Farm and Home Building Fund of 1943 in bonds or obligations of the United States, or of the State of California, or of the several counties or municipalities or other political subdivisions of the State of California, and to sell such bonds, or obligations, or any of them, at the governing market rates, upon approval of the Department of Finance; or the Department of Veterans Affairs may, with the approval of the Director of Finance, invest money in such fund, in interest-bearing certificates of deposit of state banks having a paid-up capital of five hundred thousand dollars ($500,000) or more; provided, the total amount of money so deposited with any one bank shall not exceed a sum equal to 50 percent of the paid-up capital of such bank; provided, however, nothing herein contained shall inhibit the depositing in banks in accordance with Chapter 4, Part 2, Division 4, Title 2 of the Government Code, of money of any of the funds subject to the control of the Department of Veterans Affairs or appropriated for its use.

Interest accruing upon the deposit of money of the Veterans' Farm and Home Building Fund of 1943 shall be paid into and credited to said fund.

996.33. Upon request of the Department of Veterans Affairs, supported by a statement of the plans and projects of said department with respect thereto, and approved by the Governor, the Veterans' Finance Committee of 1943 shall determine whether or not it is necessary or desirable to issue any bonds authorized under this article in order to carry such plans and projects into execution, and, if so, the amount of bonds then to be issued and sold. Successive issues of bonds may be authorized and sold to carry out said plans and projects progressively, and it shall not be necessary that all the bonds herein authorized to be issued shall be sold at any one time.

996.34. Whenever the Veterans' Finance Committee of 1943 shall have determined that the sale of all or any part of the bonds authorized to be issued under this article is necessary or desirable to carry such plans into execution, in whole or in part, it shall adopt a resolution to this effect. The said resolution shall authorize and direct the State Treasurer to provide for the preparation of the requisite number of suitable bonds then authorized to be sold and shall specify as to such bonds then to be sold:

1. The maximum number of each denomination or denominations, aggregate par value, and the date of the bonds to be then sold. The date appearing on said bonds shall be deemed to be the date of issuance for all purposes of this article, irrespective of the actual date of delivery of such bonds and the payment of the purchase price thereof. Successive issues of bonds herein authorized shall be identified by the number of the issue, or the entire authorized issue may be divided into series or divisions appropriately identified by letter or number.

2. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date of maturity, to be at annual intervals.

3. The provisions, if any, for the retirement of said bonds at any time or times prior to their maturity, whether or not thereof, and the price or prices at which said bonds shall be redeemed.

4. The annual rate of interest which the bonds to be issued shall bear, to be in multiples of one-fourth of 1 percent, which rate, at the discretion of said committee, may be determined by the bidder at the time of sale of said bonds, not to exceed 5 percent payable as herein provided.

5. The provisions, if any, for the interexchange of bonds of different denominations, the issuance of new bonds of different denominations in lieu of, or in exchange for, bonds of a like aggregate principal amount but of different denominations, and the authentication of any bonds by the State Controller or by any Deputy State Controller.

6. The technical form and language of said bonds and of the interest coupons to be attached thereto.

In determining the date or dates of maturity of the said bonds and the amount of bonds maturing at each date of maturity, the Veterans' Finance Committee of 1943 shall be guided by the amounts and dates of maturity of the revenues estimated to accrue to the Veterans' Farm and Home Building Fund of 1943 from the transactions to be financed by each issue, and shall fix and determine said dates and amounts in such manner that, together with the dates and amounts of interest payments on the said bond issue, they shall coincide, as nearly as practicable, with the dates and amounts of such estimated revenues; provided, the bonds first to mature in each issue shall mature not later than five years and the bonds last to mature in each issue shall mature not later than 45 years from the date of issuance thereof.

The rate of interest to be borne by the bonds need not be uniform for all bonds of the same issue or series or division, and may be determined and fixed by the Veterans' Finance Committee of 1943 by resolution adopted at or after the sale of said bonds, but not exceeding in any case 5 percent per annum payable semiannually. The highest bid received on the sale of the bonds shall be determined by deducting the total amount of the premium bid (if any) from the total amount of interest which the State would be required to pay from the date of the bonds or the last preceding interest payment date, whichever is latest, to the respective maturity dates of the bonds then offered for sale at the coupon rate or rates specified in the bid, and the award shall be made on the basis of the lowest net interest cost to the State. The lowest net interest cost to the State shall be computed on a 360-day year basis. The interest coupon first payable may, if the Veterans' Finance Committee of 1943 shall so determine and specify, be payable at any time within one year after the date of issuance of said bonds.

996.35. All actual and necessary expenses of the Veterans' Finance Committee of 1943 and of the members thereof incurred in the performance of their duties arising out of the provisions of this article and expenses incurred by the State Treasurer in having said bonds prepared and in advertising their sale or their prior redemption shall be paid out of the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

Whenever the Veterans' Finance Committee of 1943 deems it advisable to obtain a legal opinion as to the validity of the bonds, prior to or after sale, from attorneys other than the Attorney General, the committee may authorize the State Treasurer or the Department of Veterans Affairs or both to obtain such a legal opinion. Payment for such legal services shall be made from the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

996.36. The Controller, the Treasurer and the Veterans' Finance Committee of 1943 shall keep full and particular account and record of all their proceedings under this article, and they shall transmit to the Governor an abstract of all such proceedings thereunder, with an annual report, to be by the Governor laid before the Legislature biennially; and all books and papers pertaining to the matter provided for in this article shall at all times be open to the inspection of any party interested, or the Governor, or the Attorney General, or a committee of either branch of the Legislature, or a joint committee of both, or any citizen of the State.

996.37. So long as any bonds authorized under this article may be outstanding, the Director of the Department of Veterans Affairs shall cause to be made at the close of each fiscal year, a survey of the financial condition of the Division of Farm and Home Purchases, together with a projection of the division's operations, such survey to be made by an independent public accountant of recognized standing. The results of such surveys and projections shall be set forth in written reports and said independent public accountant shall forward copies of said reports to the Director of the Department of Veterans Affairs, the members of the California Veterans Board, and to the members of the Veterans' Finance Committee of 1943. The Division of Farm and Home Purchases shall reimburse said independent public accountant for his services out of any funds which said division may have available on deposit with the Treasurer of the State of California.

Sec. 2. This act shall take effect upon its adoption by the people as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

Sec. 3. This act shall be submitted to the people of the State of California for their ratification at the next general election, to be held in the month of November, 1954, and all ballots at said election shall have printed thereon and in a square thereof, the words: "For the Veterans Bond Act of 1954," and the same square under said words the following in eight-point type: "This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes." In the square immediately below the square containing such words, there shall be printed on said ballot the words, "Against the Veterans Bond Act of 1954," and in the same square immediately below said words, in eight-point type shall be printed "This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans." Opposite the words "For the Veterans Bond Act of 1954" and "Against the Veterans Bond Act of 1954," there shall be left spaces in which the voters may place a cross in the manner required by law to indicate whether they vote for or against said act, and those voting for said act shall do so by placing a cross opposite the words, "For the Veterans Bond Act of 1954" and those voting against the said act shall do so by placing a cross opposite the words "Against the Veterans Bond Act of 1954." Provided, that where the voting of said general election is done by means of voting machines used pursuant to law in such manner as to carry out the intent of this section, such use of such voting machines and the expression of the voters' choice by means thereof, shall be deemed to comply with the provisions of this section. The Governor of this State shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

Sec. 4. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the Governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act then the same shall be and become void.

Sec. 5. It shall be the duty of the Secretary of State in accordance with law to have this act published in at least one newspaper in each county, or city and county, if one be published therein, throughout this State, for three months next preceding the general election to be held in the month of November, 1954. The costs of publication shall be paid out of the General Fund on Controller's warrants duly drawn for that purpose and shall be refunded to the General Fund out of the Veterans' Farm and Home Building Fund of 1943. Said refund shall be made upon Controller's warrants duly drawn against said fund for said purpose upon demands audited by the State Department of Finance.

Westmoor B's Gain Title By 44-35 Win Over Lincoln Club

The Westmoor "B" club clinched the summer league championship last week by defeating the Lincoln "B's" by a score of 41-35.

The game was close throughout most of the contest. It was only in the last few minutes of the fourth quarter that the Moors cinched the game. Bad passes were capitalized on and the Lincoln club put through three quick buckets to climax the game. Al Dye, Lee Poston and Al Long paced the Lincoln club with 12, 11 and 11 points respectively. Rich Auvil led the losers with 8 digits.

The Lakers also clinched at least a tie for first place by swamping Westmoor, 71 to 29. A high scoring contest which saw a hustling Lincln Park team completely dominate play and led the game from the outset.

Tom Costello again paced the winners with a sparkling 29 point performance. Closely behind in scoring with 20 points was Rich Watso, hitting from out on long looping push-shots. Darrell Hutchinson followed with 14 points. John Madden again led the losers with 20 points.

WESTMOOR B's TOP BRISBANE FOR LEAGUE LEAD

Varsity Short-Handed Buried By Brisbane

Last Thursday's game was a repeat of the previous weeks contest with Westmoor once more defeating Brisbane B's by a score of 27 to 23 in a slower contest which saw the Moors take over undisputed first place in the Summer Cage league.

The game started off slowly with the Moors playing with four players until Poston showed up midway in the first quarter. Ball control by Lee Poston and Long plus long two-handed push shots by Al Dye was the difference. Brisbane missed the services of Ray Diaz who broke his ankle in Tuesday's night contest.

The Westmoor varsity, playing with but five players, fell before Brisbane, 55 to 28. Sparked by Ray Vullmainroy's 18 points and Bill Storch's 16 points, Brisbane was never pressed. John Madden led the losers with 15 points. Inexperience and lack of reserves was the main difference. With but two players with more than two years experience, Westmoor was no match for Brisbane.

ROMERO'S BAT LEADS SARTO TO 8-6 VICTORY

Coming from behind three times, thanks mainly to the hitting of Manuel Romero, Sarto A.C. nipped Nickle Plate Cafe, 8 to 6, Sunday at Marchbanks park.

Romero, Sarto first sacker, got three hits in four attempts, including a home run and a triple.

Lowell Creighton, starting pitcher for the AC, allowed two hits, two walks, four runs and struck out four batters.

Don Hensen, relieving Creighton, gave up four safeties, two runs, four walks and got a goose egg in the strike out department.

Most spectacular play of the game came when Nickle Plate fashioned a triple play. With Sarto men on first and second bases and running on the hit and run sign, Bob Zucca, the hitter, lined to the third baseman, who fired to second and the relay to first completed the triple killing.

Sarto's meet Guadalupe Native Sons Sunday at Marchbanks park at 2 p.m.

Eagles Totter In Final Inning To Lose Upset Chance

The fourth place Broadmoor Eagles, playing their best ball of the Midget league season, almost had an upset victory over the second place Broadmoor Yankees this week.

As late as the last inning, the Eagles were ahead, 6 to 4, but wildness on the part of Eagle pitcher Mike Simmons spoiled his chances for a win. Simmons held the powerful Yankees to five hits, but allowed eleven walks. In the last of the fifth inning four straight walks to Dugan, Towsend, Christman, and John Hess brought the score to 6 to 5.

With bags loaded and one out Bob Goodwin, pitcher for the Yankees, laced a long double to right field scoring Towsend and Christman making the score 7 to 6 in favor of the Yanks. Leading hitters for the Yankees were Catcher John Souza, Wayne Moon, Bob Goodwin and Bud Christman. Eagle hitters were Gene Lettenger, Jerry Manis and Mike Simmons.

In other games Daly City Midgets held on to first place as they beat the Broadmoor Giants, 9 to 2. Sharp Park No. 1 took their cross town brothers, 4 to 1.

Brisbane B's Nip Lincoln Park; Link Varsity Wins

The Brisbane "B's" this week defeated the Lincoln Parkers, 24 to 18, in a closely fought summer basketball league game.

Playing without the services of Don Miller the Lincoln Parkers made it a tough contest throughout most of the game only to relinquish the lead late in the fourth quarter to the hustling Brisbane club. High man for the winners was Firth with eight points followed by Gary Ryan with seven. For the losers and high for the night was Bloom with ten points.

The Lincoln varsity continued in their winning ways by defeating Brisbane, 56 to 43. The contest started out slowly with each team playing ball control, looking for an opening for a good set shot. Costello started to hit from out on long looping push shots and driving lay-ups to lead all scorers with 25 points. Darrell Hutchinson playing good defensive ball also managed to hit for 16 points to help the cause. Ray Vuillmainroy playing his best game to date kept the score close during the first three quarters with shots from the corner and driving jump shots down the middle. Ray led his club with 19 digits.

The top scorer in the league to date is Lincoln's Costello, leading with 130 points in 5 contests for an average of 26 points per game.

To scorer for Brisbane is Don Delbon with 68 points. Don, while having played in only three of the teams five contests, still leads his club.

For Westmoor John Madden has a total of 87 points in six games.

The gravediggers are lead by Al Figone with 56 points in five games.

In the "B" Division the top scorer is Lee Poston from the Moors currently leading with 88 points in six games.

For Brisbane Wallace leads his club with a total of 46 points in five games.

Andy Reulas leads the Spooks with 52 points, having played in only four of the teams five games.

Lincoln Parkers are lead by Don Miller w ith 28 points in four out of his teams five games.

Johnson Tamalemen Nipped By One Run In Last 2 Encounters

One run was all the difference between Westlake's Johnson Tamale and their last two opponents, as the Westlakers suffered two consecutive defeats.

Occidental topped the local nine, 3 to 2, as Johnson pitcher Bill Flowerday lost control, passing out 11 walks. Flowerday was stingy with hits, however, giving up only one.

Against Half Moon Bay, the Westlakers again got set back by one, coming out on the short side of a 5-4 score.

The Coastside club gained the winning run in the ninth inning.

Ed Hackmeyer's high-diving catch in center field highlighted defensive play for Johnson's.

Ribbons for the California State Fair, Sept. 2 through 12, require 20,000 feet of material.

WM. LAGOMARSINO OUTLASTS DRUG COMPANY, 15-14

The Adult Softball league contest between Wm. Lagomarsino Realty and Daly City Drug Co. kept the scorekeeper busy as the realty men outdistanced the pill peddlers, 15 to 14.

The win marked the seventh straight for Lagomarsino, and put them far and away in the league lead.

Daly City started off the contest with promise, as they banged across four runs on five hits, an error and a walk in the No. 1 frame.

Lagomarsino retaliated in the second canto with two runs on five hits and five walks.

The druggists kept up a steady pace, picking up a run in the second, three in the third, four in the fifth and two in the sixth to go into the last of the sixth frame with a 14-12 advantage.

Opening the seventh, Chelone and Morgan singled for Lagomarsino. Arnold made the bases on a fielder's choice when Chelone was forced at third.

Gino Beroldo, next man up, sent the druggists leftfielder off on a futile chase, as he spiked a drive down the leftfield line that was good enough for a round trip, scoring three runs and giving Lagomarsino the one run necessary for the 15-14 victory.

Gigli Plumbing retained their second place standing in the league by dumping Tromborg's 14 to 9. Harold Mosman smacked a home run for the winners.

MARCHBANK PARK

Thirty-five Marchbank sailors were on deck for the annual Bay Excursion. Seamen Tony Furger, Jimmy and Dennis Fife and Larry and Alan Jones were the first to climb the gangplank and rush to the Captain's deck. With the whirr of wheels, a grinding of engines and a blast from the whistle, the Harbor Queen Jr. glided out of pier 43½.

Out on the high seas Mariners Mike and Rudy Ramirez, Nancy and Susan Redford and Cheryle Vogel were looking for the familiar landmarks. Meanwhile, Jim Kennedy, Jimmy Green, John Vinal and Vicky Hennessy were figuring out a master plan of escape from Alcatraz. After an exciting tour of the harbor, the Daly City sailors regained their land legs and explored Aquatic Park and Museum. At 3:30 p.m., having completed their overseas duty, the sailors were given their honorable discharges and the mission was completed.

We are still hearing good reports about our July 15 Carnival. The "Mystery House" continues to capture the attention of the carnival goers. Several of the "Mystery House" visitors are still recovering from their meetings with Frankenstein and the "Living Corpse." Without the wonderful cooperation of the park directors, the neighborhood mothers and the willing youngsters, the carnival couldn't have materialized and the 900 attenders been so thoroughly satisfied.

Coming Events

August 12—VEHICLE DAY.

Get those bikes, skooters, baby carriages and anything on wheels painted, polished, decorated and ready for this big day.

Races of all kinds will be in order for the day. Prizes will be awarded to all those lucky winners, and to climax the day, sink your teeth into a delicious 15c Chef Mosconi Hot Dog or quench your thirst with a Captain Frank soft drink at 5 cents.

Community Center

Thirty-eight enthusiastic children from the community center took part in the annual San Francisco Bay Excursion sponsored by the Recreation department. Blue skies and warm summer breezes produced ideal conditions for the trip. After the boat ride, the children enjoyed the Marine Museum at Aquatic Park. Ronald Montoya, Billy Sampino, and Carolyn and Ronnie Aiello were among those who particularly enjoyed the excursion.

Joe Brown's boxing and wrestling classes along with Rich Watso's Basketball clinic are continuing to draw large numbers of eager youngsters to the community center daily. Outstanding wrestlers Bryan Egan, Terry Fairchild, Mike Burger, Bruce Eagan, Dan Pusatero and Tommy Wallis. Among the basketball players are Paul Giomi, Mike Wills and Rich Wilson who show the best ability so far.

The Tumbling club which meets Tuesday and Thursday at 10 o'clock has 44 members with more being added all the time. Jerry Morgan, Roger Stahl and Ernest Montaya look to be potential greats in the tumbling field.

Highlight of the summer boxing program is the "All Star" boxing show today (Friday) at 7:30 p.m. Don't fail to attend. Tickets are 50 cents.

ARCHERY LEADERS NAMED AT PARKS

Leaders in the archery ladder tournament which opened last week have been announced by the recreation department.

The top three competitors from each park are:

Marchbanks — Michael Cox, Steve Anderson and Diane Hugasin.

Frankfort — John Roa, Billy Whalen and George Roa.

Jefferson high — Butch Miller, David Duggan and Jerry Benedetti.

Jefferson elementary — Mike Blume, Jerry Benedetti and Wayne Gordon.

Westlake elementary — Jenny Fredrickson, Steve Oppermann and Dick Reese.

The tournament will continue for two more weeks and children interested may enter at any of the above parks.

All of the islands comprising Australia's Great Barrier Reef have been declared national parks.

Arts, Crafts Class At Local Center Draws Enthusiasm

By the Rec Department

If you should pass the Recreation Center on Monday, Wednesday or Friday morning about 12 o'clock, you will witness a grand exodus of children carrying key chains, belts or bracelets made from Pyro cord. They have just come from the arts and crafts class at the community center.

If you were to visit this classroom you would see life size drawings the children make of themselves. These very interpretive bits of artistry were done by Bobby Byrum, Barbara Brown, Jimmy Hunley and Victoria Stierm.

Betty Rider has done some very interesting work. One of her projects is a scratch board picture made with India ink and crayon. Charles Miceli and Cheryl Kruzer have come up with some excellent wood burnings of horses.

Frank Bellante is making some beautiful belts, Barbara Bertolina is making a bracelet. Carlo Albert, Joseph Gordon, Evelyn Hunley, Diane Bertelli, Stanley White, Frank Sears and Robert Bertolina have done some remarkably originay pictures in aluminum.

Carol Brown, Leslie Henery and Nadine Carter are making coin purses from scraps of plastic materials. Shirley Farina, Carolyn Aiello, Lucille Brown, Donna Rafter and Robert Catlaneo are constructing chains of colored paper to decorate the room.

The children have shown such an enthusiastic response to our arts and crafts program that we feel it has been a huge success.

ROCKETS TOP SHARP PARK FOR SEVENTH VICTORY

Fine two-hit pitching by Paul Tapia spelled defeat for the hustling Sharp Park Juniors as the unbeaten Westlake Rockets captured their seventh consecutive victory last week.

While leading 4 to 2 in the sixth inning the Rockets exploded for four runs on five walks, a pair of singles and an error, to run up a total of eight runs against two for the Sharp Park club. With the exception of the second inning when an error was responsible for two Sharp Park runs, Tapia was never in trouble as he pitched himself out of tight spots time and time again. Westlake's fine backstop Bill Strassberger, along with Leroy Franzoia and Mike Wedlake were the hitting stars for the local club.

The Rockets travel to the industrial city Saturday to battle the hard hitting South San Francisco Juniors. The game will be played at Orange Park at 10:30 a.m.

Homes Nine Suffer 8-1 Loss To Pomona

Westlake Homes suffered their second setback in the Funston Night league last week as Pomona Tile trounced the local club, 8 to 1.

The Pomona nine banged Westlake pitcher Ed Perez for eight hits, while Westlake hitters picked up six bingles, but could squeeze only a single run.

Rich Lampe led Westlake with two hits in four attempts, while Brynzell, Gentile, Brown and Von Wronski picked up one apiece. Westlake now has a 3-2 record in league play.

The Homes crew will meet Johnnie's Billiard tonight (Friday) at 7:30 p.m. at the Funston diamond.

They will wind up league play the following week, when they face SF Naval Shipyard August 6 at 7:30 p.m.

LOCAL MAN REPORTS THEFT OF CAR WHEELS

Theft of two front tires and wheels was reported to police Sunday by Joe C. Kasper, 117 Santa Barbara avenue here. Kasper told police that he left his car in a vacant lot near his home Thursday night. When he returned he found the car jacked up the front tires, wheels and jacks removed.

The first United States mint in California was located at 608 Commercial Street in San Francisco.

Nickle Plate Cafe Team To Change Name To Starway

Nickle Plate Cafe, the team that executed a triple play Sunday in a game against Sarto A.C., will soon be playing under the name of "Starway."

Gene Lobdell, manager of Nickle Plate, recently assumed coownership of the Starway night club in Daly City and will sponsor his team under that name.
